The Fanatic The Oracle Series Book 2

Johannes Jacobus van Oosterzee

The Fanatic The Oracle Series Book 2:

Classified Gems of Thought from the Great Writers and Preachers of All Ages Francis Procter, 1892 *The Book Of Ordinary Oracles* Lon Milo DuQuette, 2025-09-12 Consulting oracles used to be difficult and dangerous You had to make a pilgrimage plagued with hardship trudging through the desert to a holy place or person Or kill a calf to read its liver or a bird to read its entrails Or study for years to read ink dropped in water Who has the time Traditional methods just aren't convenient today What's a divine wonderer to do Funny you should ask In *The Book of Ordinary Oracles* Lon Milo DuQuette shows us how to use items lying around the house from pocket change to chopsticks to divine answer to everyday questions He also tells us how to ask the right question and interpret the answer The tools he provides will make consulting oracles as easy as reaching into your pocket or cupboard Can one use channel surfing as an oracle You bet DuQuette's anecdotes illustrate various divination techniques Laugh your way to wisdom while learning new ways to look at the I Ching and how to read tarot cards for yourself **The English Utilitarians, Volume II (of 3)** Leslie Stephen, 2020-08-11 Reproduction of the original *The English Utilitarians Volume II of 3* by Leslie Stephen **Christian Dogmatics** Johannes Jacobus van Oosterzee, 1874 **The Last Pagans of Rome** Alan Cameron, 2011 Rufinus vivid account of the battle between the Eastern Emperor Theodosius and the Western usurper Eugenius by the River Frigidus in 394 represents it as the final confrontation between paganism and Christianity It is indeed widely believed that a largely pagan aristocracy remained a powerful and active force well into the fifth century sponsoring pagan literary circles patronage of the classics and propaganda for the old cults in art and literature The main focus of much modern scholarship on the end of paganism in the West has been on its supposed stubborn resistance to Christianity The dismantling of this romantic myth is one of the main goals of Alan Cameron's book Actually the book argues Western paganism petered out much earlier and more rapidly than hitherto assumed The subject of this book is not the conversion of the last pagans but rather the duration nature and consequences of their survival By re-examining the abundant textual evidence both Christian Ambrose Augustine Jerome Paulinus Prudentius and pagan Claudian Macrobius and Ammianus Marcellinus as well as the visual evidence ivory diptychs illuminated manuscripts silverware Cameron shows that most of the activities and artifacts previously identified as hallmarks of a pagan revival were in fact just as important to the life of cultivated Christians Far from being a subversive activity designed to rally pagans the acceptance of classical literature learning and art by most elite Christians may actually have helped the last reluctant pagans to finally abandon the old cults and adopt Christianity The culmination of decades of research *The Last Pagans of Rome* will overturn many long held assumptions about pagan and Christian culture in the late antique West Odious Praise Eric MacPhail, 2022-05-25 This book reveals a tradition of thought overlooked in our intellectual history but enormously influential even now the tradition of odious praise Distinct from more conventional rhetorical exercises such as panegyric or the funeral oration odious praise uses acclaim to censure or to critique This book reassesses the genre of praise and blame rhetoric by

considering the potential of odious praise to undermine consensus and to challenge a society's normative values. Surveying literature from ancient Greece to Renaissance Europe, Eric MacPhail identifies a tradition of epideictic rhetoric that began with the sophists but was cultivated and employed most vigorously by Renaissance political thinkers. Presenting examples from the writings of Lorenzo Valla, Niccolò Machiavelli, Desiderius Erasmus, Michel de Montaigne, Joachim du Bellay, and Jean Bodin among others, MacPhail shows that by inscribing a positive value to an object worthy of blame, cultural values are turned on their head. MacPhail traces the use of this technique to critique the values of the classical and scholastic traditions. Recognizing and engaging with this tradition, MacPhail argues, can reinvigorate our study of the history of social thought and reveal further the roots of modern social science. Rigorous and lucid, *Odious Praise* presents a rhetoric capable of suspending and thus critiquing the values of a culture and in doing so it uncovers the first serious attempts at social thought and the seedbed of modern social science. It will be welcomed by scholars of Renaissance literature and culture, the history of rhetoric and political thought.

Scriptural Communion with God; Or, The Holy Bible, Arranged in Historical and Chronological Order in Such Manner that the Books, Chapters, Psalms, Prophecies, &c. &c., May be Read as One Connected History, in the Words of the Authorized Translation; Newly Divided Into Sections; for Families and Individuals; with Introductions and Prayers; and Notes for the Student and Inquirer, 1845 Godolphin; In Two Volumes Baron Edward Bulwer

Lytton, 2025-08-16. Reproduction of the original. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage.

A Catalogue for 1824 (1824-25), of Ancient and Modern Books ... Now on Sale ... by William Stewart, Etc. William Stewart (Bookseller, of Edinburgh.), 1824 **The Cambridge Companion to the Age of Nero** Shadi

Bartsch, Kirk Freudenburg, Cedric Littlewood, 2017-11-09. The age of Nero has appealed to the popular imagination more than any other period of Roman history. This volume provides a lively and accessible guide to the various representations and interpretations of the Emperor Nero as well as to the rich literary, philosophical, and artistic achievements of his eventful reign. The major achievements of the period in the fields of literature, governance, architecture, and art are freshly described and analysed, and special attention is paid to the reception of Nero in the Roman and Christian eras of the first centuries AD and beyond. Written by an international team of leading experts, the chapters provide students and non-specialists with clear and comprehensive accounts of the most important trends in the study of Neronian Rome. They also offer numerous original insights into the period and open new areas of study for scholars to pursue.

 William Smith, 1859 **A Classical Dictionary of Biography, Mythology, and Geography**, 1875 The Book of Haggai
 John Kessler, 2014-09-03 This monograph is a study of the perceptions reflected in the Book of Haggai regarding the primary
 social political and religious institutions in early Persian Yehud Special attention is given to the form and function of
 prophecy and to the role of the prophet in society The study includes a history of the criticism of Haggai a study of the book's
 redactional history and socio political context and an exegesis and literary analysis of the text It concludes with an
 examination of the distinctive perspectives found in the book and the sociological and religious milieu that produced them
 The work is particularly useful for its detailed analysis of the biblical text its attention to recent literature on the early
 Persian period and its multidisciplinary and integrative approach *The Prophets as Preachers* Gary V. Smith, 1998-09-01
 Designed for use in upper level college courses and seminary courses on the prophets
