The Feminine Mistake Are We Giving Up Too Much

Hana Schank,Elizabeth Wallace

The Feminine Mistake Are We Giving Up Too Much:

The Feminine Mistake Leslie Bennetts, 2025-05-01 Women are constantly being told that it's simply too difficult to balance work and family so if they don't really have to work it's better for their families if they stay home. Not only is this untrue, Leslie Bennetts says, but the arguments in favor of stay-at-home motherhood fail to consider the surprising benefits of work and the unexpected toll of giving it up. It's time, she says, to get the message across: combining work and family really is the best choice for most women, and it's eminently doable. Bennetts and millions of other working women provide ample proof that there are many different ways to have kids, maintain a challenging career, and have a richly rewarding life as a result. Earning money and being successful not only make women feel great but when women sacrifice their financial autonomy by quitting their jobs, they become vulnerable to divorce as well as the potential illness, death, or unemployment of their breadwinner husbands. Further, they forfeit the intellectual, emotional, psychological, and even medical benefits of self-sufficiency. The truth is that when women gamble on dependancy, most eventually end up on the wrong side of the odds. In riveting interviews with women from a wide range of backgrounds, Bennetts tells their dramatic stories, some triumphant, others heartbreaking. *The Feminine Mistake* will inspire women to accept the challenge of figuring out who they are and what they want to do with their lives in addition to raising children. Not since Betty Friedan has anyone offered such an eye-opening and persuasive argument for why women can and should embrace the joyously complex lives they deserve.

Standing Up to Supernanny Jennie Bristow, 2013-09-09 Parenthood we are told requires a massive adjustment to our lives, emotions, and relationships, and we have to be taught how to deal with that. But can it really be so bad that we need constant counselling and parenting classes? It is a myth that today's parents are hopeless and lazy; in many ways, we have become too diligent, too hopeful of great outcomes and clear rewards to the point where we lose ourselves in trying to provide some kind of professional service to our children. The current obsession with perfect parenting increases our insecurity and distrust of each other and diminishes our authority over our kids. This book is about asking: Why have we invited Supernanny into our living rooms, and how can we kick her out? Theorising and Representing Maternal Realities Julie Kelso, Marie Porter, 2009-05-05 Maternal research is a rapidly expanding, multi-disciplinary form of scholarship. Prior to second-wave feminism, most motherhood literature was written from a male perspective. This literature focused on telling mothers how to practice mothering without acknowledging the expertise of the mothers themselves. Research on motherhood, as it is experienced in all its facets by mothers, has only emerged in recent decades. This book is aimed at expanding academic knowledge of motherhood from a feminist perspective, looking particularly at how maternal subjectivities can be represented and theorised. When mothers themselves, academic or not, are responsible for theorisation and representation of maternal realities, dominant theories and representations of motherhood are radically challenged. In *Theorising and Representing Maternal Realities*, the contributors argue that it is no longer acceptable to regard mothers as mere objects of knowledge and

research They are primarily the subjects of knowledge and research

The D Word Kate Anthony, 2023-12-26 Should I stay married for my kids Does this count as abuse Why am I so unhappy What does a healthy relationship even look like When you're ready for honest answers to these and other questions The D Word shows you how to dig deep and find them and then move forward into a better brighter future A template for confident decision making and lasting growth and change whether readers choose to stay in a marriage or leave it For those who feel powerless and lost in broken marriages Anthony shines a light Publishers Weekly From the host of the critically acclaimed The Divorce Survival Guide Podcast comes a book that provides the clarity peace and answers women need to make empowered decisions about their marriages break unhealthy patterns and build the life they truly want Every year close to a million women struggle to decide whether to divorce their partners Some are in relationships they know to be unsalvageable yet they're terrified that divorce will hurt their kids Others feel guilt ridden and confused over their unhappiness with a spouse who seems to the outside world at least to be perfectly fine And then there are those in between restless and aware of problems that may or may not be fixable with no idea how to tell the difference The D Word is the definitive yet accessible guide for everyone who wants to take control of their lives either by ending or repairing their marriage Written in Kate Anthony's signature straight talking empowering style The D Word is more than a practical handbook for those considering divorce It also reveals how cultural and societal influences negatively affect our relationships and expectations stacking the odds against women

Woman Lillian Faderman, 2022-03-15 A comprehensive history of the struggle to define womanhood in America from the seventeenth to the twenty first century An intelligently provocative vital reading experience This highly readable inclusive and deeply researched book will appeal to scholars of women and gender studies as well as anyone seeking to understand the historical patterns that misogyny has etched across every era of American culture Kirkus Reviews A comprehensive and lucid overview of the ongoing campaign to free women from the tyranny of old notions Publishers Weekly What does it mean to be a woman in America Award winning gender and sexuality scholar Lillian Faderman traces the evolution of the meaning from Puritan ideas of God's plan for women to the sexual revolution of the 1960s and its reversals to the impact of such recent events as metoo the appointment of Amy Coney Barrett to the Supreme Court the election of Kamala Harris as vice president and the transgender movement This wide ranging 400 year history chronicles conflicts retreats defeats and hard won victories in both the private and the public sectors and shines a light on the often overlooked battles of enslaved women and women leaders in tribal nations Noting that every attempt to cement a particular definition of woman has been met with resistance Faderman also shows that successful challenges to the status quo are often short lived As she underlines the idea of womanhood in America continues to be contested

Mediating Moms Elizabeth Podnieks, 2012-03-22 In recent decades popular culture from television and film to newspapers magazines and best selling fiction has focused an enormous amount of attention on mothers Through feminist psychoanalytic sociological literary and cultural studies perspectives the twenty

chapters in this book examine an array of current and relevant contemporary topics related to maternal identities such as working stay at home ambivalent absent good bad single teen elder celebrity and lesbian mothers and issues such as the mommy wars self care pregnancy abortion contraception infanticide adoption sex and sexuality breastfeeding post partum depression fertility genetics and reproductive technologies Contributors from Canada the United States Britain and Australia engage critically and theoretically with stereotypes perpetuated by popular culture media and chart some of the provocative and liberating ways that we can use and interpret this media to encourage and promote alternative and transformative maternal readings identities and practices Mediating Moms looks at mothers as imaged by and in the media how mothers mediate or negotiate these images according to their historical corporeal and lived personhoods and how scholars mediate the popular and academic discourses of motherhood as a way of registering strengthening and alleviating the tensions between representation and reality Mediating Moms engages critically with stereotypes perpetuated by popular culture while mapping some of the provocative and liberating ways that mothers can use the media to transform and reaffirm their identities Contributors include Jennifer Bell Alberta H Louise Davis Miami Irene Gammel Ryerson Nicola Goc Tasmania Fiona Joy Green Winnipeg Latham Hunter Mohawk Joanne Ella Johnson Hosu Kim Staten Island Beth O Connor Ontario Ministry of Municipal Affairs and Housing Debra Langan Wilfrid Laurier Sally Mennill British Columbia Stuart J Murray Ryerson Kathryn Pallister Red Deer Maud Perrier Bristol Lenora Perry Texas Dominique Russell Jocelyn Stitt Minnesota Stephanie Wardrop Western New England Imelda Whelehan Tasmania

The Ambition Decisions Hana Schank, Elizabeth Wallace, 2019-06-11

These are the know your value conversations that we need to have These women their challenges choices and successes are all of us Mika Brzezinski Over the last sixty years women s lives have transformed radically from generation to generation Without a template to follow a way to peek into the future to catch a glimpse of what leaving this job or marrying that person might mean to us decades from now women make important decisions blindly groping for a way forward winging it and hoping it all works out As they faced unexpectedly fraught decisions about their own lives journalists Hana Schank and Elizabeth Wallace found themselves wondering about the women they d graduated alongside What happened to these women who seemed set to reap the rewards of second wave feminism on the brink of taking over the world Where did their ambition lead them So they tracked down their classmates and over several hundred hours of interviews gathered and mapped data about real women s lives that has been missing from our conversations about women and the workplace Whether you re deciding if you should pass up a promotion in favor of more flex time planning when to get pregnant or wondering what the ramifications are of being the only person in your house who ever unloads the dishwasher *The Ambition Decisions* is a guide to the changes that may seem arbitrary but are life defining by women who ve been there Organized by theme each chapter draws on real women s stories of facing down crisis transition and decision making to illustrate broader trends Schank and Wallace observed Each chapter wraps up with a useful bulleted list of questions to consider and tips to integrate that will

guide women of all ages along the way to finding purpose and passion in work and life **The Status of Women** Vivian B. Pender, 2018-05-08 This book examines the status of women in different eras and in different areas of society The contributors draw on their international experience to consider how women are viewed and treated in society today and offer perspectives on why the status of women and girls has not changed in some areas **Gendered Occupational Differences in Science, Engineering, and Technology Careers** Prescott, Julie, Bogg, Jan, 2012-09-30 This book provides an overview of women in male dominated fields specifically in science engineering and technology and examines the contributing factors in this concern Provided by publisher **What's the Alternative?** Rachel Singer Gordon, 2008 As the global information economy grows librarians who are able to retool and transfer their skills are finding themselves increasingly in demand Here Rachel Singer Gordon explains the dynamics of the shifting market for information based work reveals a range of nontraditional employment opportunities for librarians and encourages info pros to utilize their skills in new and exciting ways Mixing practical advice with real life stories of librarians working in various fields Gordon provides a wealth of useful ideas and resources for info pros rethinking their career paths Whether you're a recent library school grad facing a tight job market a working librarian seeking improved work life balance or an info pro with an entrepreneurial streak What's the Alternative will help you explore your options and maximize your career potential **Women who Opt Out** Bernie D. Jones, 2012 In a much publicized and much maligned 2003 New York Times article The Opt Out Revolution the journalist Lisa Belkin made the controversial argument that highly educated women who enter the workplace tend to leave upon marrying and having children Women Who Opt Out is a collection of original essays by the leading scholars in the field of work and family research which takes a multi disciplinary approach in questioning the basic thesis of the opt out revolution The contributors illustrate that the desire to balance both work and family demands continues to be a point of unresolved concern for families and employers alike and women's equity within the workforce still falls behind Ultimately they persuasively make the case that most women who leave the workplace are being pushed out by a work environment that is hostile to women hostile to children and hostile to the demands of family caregiving and that small changes in outdated workplace policies regarding scheduling flexibility telecommuting and mandatory overtime can lead to important benefits for workers and employers alike **Smart Girls Marry Money** Elizabeth Ford, Daniela Drake, 2009-05-05 Why does society applaud a girl who falls for a guy's big blue eyes yet denounces one who chooses a man with a big green bankroll After all isn't earning power more a reflection of a man's values and character Smart Girls Marry Money challenges the ideals and assumptions women have blindly accepted about love and marriage and shows how they've done so at their own economic peril In this brazen manifesto authors Elizabeth Ford and Daniela Drake use cold hard facts real science and true stories to present a compelling case for why mercenary marriages make the most sense for future happiness Smart Girls taps into a growing collective suspicion that the post feminist world isn't all it's cracked up to be Female empowerment has women working hard to look

sexier than ever while carrying more than their fair share financially Yet sadly statistics prove that not only do women continue to earn far less than their male counterparts they also suffer far more economically when marriages fail Ford and Drake think it s high time that women get their heads out of the clouds and start caring about their own security the kind that can be measured in dollars and common sense With an irreverent straight talk tone the authors serve up a sound case and intriguing strategy for how women can truly have it all Sure to spark conversation and controversy Smart Girls Marry Money will ultimately empower women with a new way to take control of both their economic and romantic lives

Grandparents in a Digital Age Laura Tropp,2018-11-23 This book investigates the changing culture of grandparenting Depending on the group the period and the family grandparents have been powerful patriarchs and matriarchs reliable second parents dependents burdens or community figures The book examines the history of grandparenting and the changing depiction of grandparent culture from old to hip including the development of the celebrity grandparent the emergence of media technologies that allow for new communication and relationships between grandparents and their grandchildren new rituals associated with grandparenting the growth of the marketing of grandparenting as a new stage of life and the impact on our culture of the commodification of grandparenting Prior to the twentieth century within the United States the idea of the modern grandparent likely did not even exist Many people did not live long enough to reach the grandparent stage of life Today people are living longer and grandparenting is occupying a longer phase in one s life Grandparenting is becoming its own life stage where new rituals exclusive to grandparents are emerging Newer technologies such as Skype Google Hangout and FaceTime allow grandparents who are far away to establish relationships with their children Many grandparents also use social media and blogs to chronicle their experiences Some grandparents have turned their grandparent lifestyle into a business The representation of grandparenting in popular culture is shifting as well Grandparents are becoming their own figures on television and film programs including reality shows Others have been thrust into the public eye across social media Marketers have realized the power of this new consumer subgroup and have begun to direct marketing campaigns to grandparents Yet despite the pervasive images of grandparents some of which present empowered figures grandparent representation in popular media continues to mimic many of the stereotypes commonly associated with aging encouraging people to laugh at versus laugh with these figures The Third Act Grandparenting in a Digital Age examines grandparenting through history interviews and popular culture to study the changing image of grandparents in society

Opting Back In Pamela Stone, Meg Lovejoy, 2021-02-23 Interrupting a professional career is for women who opt out a conflicted decision of last resort Most women envision returning to the labor force even as they leave it But can they Drawing on unique research that follows up women first interviewed for *Opting Out* this book profiles the efforts of a group of high achieving women to go back to work The good news is that these women who are able to draw on considerable resources are successful The bad news is that they face cross pressures of class and gender that create what we call the paradox of privilege which reinforces gender inequality in the family and workplace and results in re entry strategies that either marginalize them as contingent workers or for the sizeable fraction who radically reinvent themselves segregate them in female dominated fields The book offers an in depth look at the pressures high potential women face as they struggle with the mixed signals of their class privilege promise compromised by patriarchy and offers up close and personal insights in to how the twin pillars of gender inequality the leadership and wage gaps are created and maintained by the very women expected to transcend them Provided by publisher

The Movement Clara Bingham, 2024-07-30 A comprehensive and engaging oral history of the decade that defined the feminist movement including interviews with living icons and unsung heroes from former Newsweek reporter and author of the powerful and moving New York Times Witness to the Revolution For lovers of both Barbie and Gloria Steinem *The Movement* is the first oral history of the decade that built the modern feminist movement Through the captivating individual voices of the people who lived it *The Movement* tells the intimate inside story of what it felt like to be at the forefront of the modern feminist crusade when women rejected thousands of years of custom and demanded the freedom to be who they wanted and needed to be This engaging history traces women s awakening organizing and agitating between the years of 1963 and 1973 when a decentralized collection of people and events coalesced to create a spontaneous combustion From Betty Friedan s *The Feminine Mystique* to the underground abortion network the Janes to Shirley Chisholm s presidential campaign and Billie Jean King s 1973 battle of the sexes Bingham artfully weaves together the fragments of that explosion person by person bringing to life the emotions of this personal cultural and political revolution Artists and politicians athletes and lawyers Black and white *The Movement* brings readers into the rooms where these women insisted on being treated as first class citizens and in the process changed the

fabric of American life **Big Girls Don't Cry** Rebecca Traister, 2011-06-07 It was all as unpredictable as it was riveting Hillary Clinton's improbable rise her fall and her insistence on pushing forward straight through to her remarkable phoenix flight from the race Sarah Palin's attempt not only to fill the void left by Clinton but to alter the very definition of feminism and claim some version of it for conservatives liberal rapture over Barack Obama and the historic election of our first African American president the media microscope trained on Michelle Obama harsher even than the one Hillary had endured fifteen years earlier Meanwhile media women like Katie Couric and Rachel Maddow altered the course of the election and comedians like Tina Fey and Amy Poehler helped make feminism funny As Traister sees it the 2008 election was good for women The campaign for the presidency reopened some of the most fraught American conversations about gender race and generational difference about sexism on the left and feminism on the right all difficult discussions that had been left unfinished but that are crucial to further perfecting our union

FAQs About The Feminine Mistake Are We Giving Up Too Much Books

What is a The Feminine Mistake Are We Giving Up Too Much PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Feminine Mistake Are We Giving Up Too Much PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Feminine Mistake Are We Giving Up Too Much PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Feminine Mistake Are We Giving Up Too Much PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Feminine Mistake Are We Giving Up Too Much PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
