But when she refuses to major in business and take over the farm herself, someday her grandmother gives Erin's college tuition and promised inheritance to their maddeningly handsome stable boy, Hunter Allen. Now Erin has to win an internship and work late nights at a local coffee shop to make her own dreams a reality. She should despise Hunter, so why does he sneak into her thoughts as the hero of her latest writing assignment? Then on the day she's sharing that assignment with her class, Hunter walks in. He's joining her class. And after he reads about himself in her story, her private fantasies about him must be painfully clear. She only hopes to persuade him not to reveal her secret to everyone else. But Hunter devises his own creative revenge, writing sexy stories that drive the whole class wild with curiosity and fill Erin's heart with longing. Now she's not just imagining what might have been. She's writing a whole new ending for her romance with Hunter, except this story could come true.
