Maggin, Marie Tejero Hughes, 2020-07-06 Practical and forward thinking *Developing Teacher Leaders in Special Education* is the administrator's essential guide to growing special educator leadership in any school district or program. Special educators need to be flexible, proactive, and collaborative qualities that make them uniquely suited to roles in school leadership, but these skills are often overlooked when choosing effective teacher leaders. Featuring helpful tips and detailed examples to demonstrate the concepts in action, this book breaks down the qualities that special educators can bring to your school leadership team and explores how you can leverage those skills to create a more inclusive and successful community.

Teach Them ALL to Read Elaine K. McEwan-Adkins, 2009-07-15 Featuring vignettes, graphic organizers, instructional strategies, up-to-date research, and more, this updated bestseller helps educators understand the most effective ways to teach all students to read. *The Common Core Coaching Book* Laurie Elish-Piper, Susan K. L'Allier, 2014-04-24 This book provides essential coaching tools to support teachers in planning and implementing instruction aligned with the Common Core State Standards (CCSS). The authors explain the key instructional shifts brought about by the CCSS in K-5 English language arts classrooms. Eighteen specific strategies for coaching large groups, small groups, and individual teachers are presented, including clear-cut procedures, vivid illustrative examples, and 26 reproducible forms. Grounded in research on adult learning, the book addresses common coaching challenges and how to overcome them. The large size format facilitates photocopying; purchasers also get access to a Web page where they can download and print the reproducible materials. This title is part of the Teaching Practices That Work Series, edited by Diane Lapp and Douglas Fisher. **Teacher Leadership in**

Professional Development Schools Jana Hunzicker, 2018-04-06 Featuring scholarly descriptions, teacher leader reflections, and thoughtful questions, this thoughtful collection will immerse readers in deep exploration of teacher leadership and student learning, definitions, structures, and cultures that promote teacher leadership and teacher leader preparation and development. *Scaling up ICT-based Innovations in Schools* Elizabeth Ruilin Koh, David Wei Loong Hung, 2021-11-12 This collected book is about the eduLab projects, an initiative with focus on Scaling Change through Apprenticising and Ecological Leadership, designed to surface and spread ground-up information and communication technology-based pedagogical innovations. It presents the goals and rationale behind eduLab, an overview of the research projects conducted by its principal investigators during its funding tenure, as well as synthesizing thoughts on the entire endeavor. This book not only marks the achievements of the eduLab programme but also serves as inspiration for future projects. It presents Singapore education in action, a continually evolving and adapting education system that delivers a system well known for its high quality, as much as it is forward looking. *Rethinking School-University Partnerships* Prentice T. Chandler, Lisa Barron, 2021-05-01 *Rethinking School-University Partnerships: A New Way Forward* provides educational leaders in K-12 schools and colleges of education with insight, advice, and direction into the task of creating partnerships. In current times, colleges of education and local school

districts need each other like never before School districts struggle with pipeline recruitment and retention issues Colleges of education face declining enrollment and a shifting educational landscape that fundamentally changes the way that teachers are trained and what local school districts expect their teachers to be able to do It is with these overlapping constraints and converging interests that partnerships emerge as a foundational strategy for strengthening the education of our teachers With nearly 80 contributors from 16 states and Jamaica representing 39 educational institutions the partnerships described in this book are different from the ways in which colleges of education and school districts have traditionally worked with one another In the past these loose relationships centered primarily on student teaching and or field experience placements In this arrangement the relationship was directed towards ensuring that the local schools were amenable to hosting students from the college of education so that the student candidate could complete the requirements to earn a teaching license In our view this paradigm needs to be enlarged and shifted

Handbook of Research on Learner-Centered Pedagogy in Teacher Education and Professional Development Keengwe, Jared, Onchwari, Grace, 2016-08-18 Education in the 21st century is shifting focus from accessing and sharing information to designing active and collaborative learning environments which foster student engagement and critical thinking skills Active learning features a hands on activity based teaching approach during which students synthesize information and take joy in new discovery The Handbook of Research on Learner Centered Pedagogy in Teacher Education and Professional Development presents a comprehensive look into the methodologies and strategies necessary to establish classroom climates in which students feel free to question their preconceptions and express opinions Featuring chapters from international researchers this book is ideal for administrators teachers policy makers and students of education
