Pitfalls Ben Jones,2019-11-19 Avoid data blunders and create truly useful visualizations Avoiding Data Pitfalls is a reputation saving handbook for those who work with data designed to help you avoid the all too common blunders that occur in data analysis visualization and presentation Plenty of data tools exist along with plenty of books that tell you how to use them but unless you truly understand how to work with data each of these tools can ultimately mislead and cause costly mistakes This book walks you step by step through the full data visualization process from calculation and analysis through accurate useful presentation Common blunders are explored in depth to show you how they arise how they have become so common and how you can avoid them from the outset Then and only then can you take advantage of the wealth of tools that are out there in the hands of someone who knows what they re doing the right tools can cut down on the time labor and myriad decisions that go into each and every data presentation Workers in almost every industry are now commonly expected to effectively analyze and present data even with little or no formal training There are many pitfalls some might say chasms in the process and no one wants to be the source of a data error that costs money or even lives This book provides a full walk through of the process to help you ensure a truly useful result Delve into the data reality gap that grows with our dependence on data Learn how the right tools can streamline the visualization process Avoid common mistakes in data analysis visualization and presentation Create and present clear accurate effective data visualizations To err is human but in today s data driven world the stakes can be high and the mistakes costly Don t rely on catching mistakes avoid them from the outset with the expert instruction in Avoiding Data Pitfalls

A Ritual of the Monkey Richard Sole,2010-12-16 A Professional Review In this kind of fractured reality the clever idea is that we never know what is real Stella Westhoff A dream invasion adventure epic Richard Sole swims into the swirly sea of the subconscious shifting logic with fractured reality of dreams A Ritual of the Monkey is surely an ambitious psychological thriller brilliantly conceived and superbly written It tells the story of Ezra Cantrell adrift in time and experience in reality within dreams dreams without reality as he enters in a world where dreams and reality are indecipherable What is real and what is not becomes a mind bending time twisting odyssey Ezra Cantrell is a Foreign Service employee who meets and marries Sacha an Indonesian woman The all important establishment of the book s

premise is made meticulously and at great length as Ezra travels on assignments Ultimately it is the experience of the book that toys with the reader's mind on a massive scale As Sacha's emotional pain and the symptoms of her disease become apparent she is betrayed with frightening delusions She descends into madness and then regains the ability to function in her world or is it Alternating between what is real and what is not Richard Sole hypnotizes us with elegant dreamscapes within cityscapes and as a tour guide takes the reader to distant lands and introduce them to its culture and mores Like any traditional narrative the book starts at point A and ends at point B It just goes backward through the alphabet to get there A slippery cerebral drama that slaloms from illusion to reality and back again leaving the reader bewitched and bothered It is the story of good and evil a narrative of America's imperial character versus radical Islamic Jihad it is the tangle of relationships that goes against the grain and challenges eternal truths A well crafted and enthralling brain teaser A Ritual of the Monkey is either a great mind bending book or one big swindle Let's go with the former Stella Westhoff Atlanta Georgia About The Book Spurred by a desire to travel the world Ezra Cantrell joined the Foreign Service and saw it all Thousand islands of Indonesia soaring minarets in Kyrgyzstan Uzbekistan's bulbous blue domes and many pleasant tree filled streets around the world His journeys traversed the continents casting a spell on any traveler's imagination Along with Sacha his Indonesian spouse their magical journey is a measure for adventure or misadventure Then the ragged wounds of life strike Sacha with an emotional disorder and strip her of a fulfilling life experience Her obsessive ritual is matched only by the lecherous fetish of a French diplomat who falls in love with her nineteen year old daughter The mishmash adds a disquieting twist to an already sick family dynamic Lost in the shuffle Sacha struggles as she trails her husband on international assignments With each move she starts again in a different city Adrift in real time and dream time Ezra finds solace from the family turmoil as he escapes on assignments and soon experiments with his sexual curiosity Tormented by his secret desires he struggles to stave off the gremlins Along comes a sociopath brimming with wicked desires who spews a disturbing shroud over an American university campus A delusional love affair sprouts a bruised ego ruptures and a sick obsession with a sadistic bent is unleashed with dreadful outcomes What appears to be isolated slayings soon turn into the handiwork of a demented mind setting off an intercontinental jealous rage that chills the mind in this dream invasion epic Fitted Up Russell Findlay, 2019-09-18 The investigative journalist and author of Acid Attack reveals the true story of one innocent man's battle to salvage his reputation and his life As army veteran Bill Johnstone watched his garage business burn to the ground he was certain the fire had been started deliberately And when the police failed to investigate he complained Johnstone then made a shocking discovery an extensive criminal record had been applied to his name He believes this was no accident but a malicious act by a police officer Those few keyboard strokes were the catalyst for a high stakes battle that consumed his life What began as police incompetence soon escalated into an extraordinary saga of betrayal conspiracy and cover up This is the incredible true story of his decade long fight for justice In an age where our personal information is stored and shared
