Massage National Exam Daphna R. Moore, 2008-03 **Mosby's Massage Therapy Review** Sandy Fritz, 2001. This new review system is designed to help students prepare for and pass school administered exams, state and local licensing exams and the National Certification Exam administered by the National Certification Board for Therapeutic Massage and Bodywork (NCBTMB). Nearly 800 multiple choice questions plus answer keys and rationales as well as 40 labeling exercises and unique case study critical thinking questions make up this comprehensive review. Mosby's Massage Therapy Review covers topics from four essential categories: Human Anatomy, Physiology and Kinesiology, Clinical Pathology and Indications and Contraindications for Massage, Application of Massage Therapy and Bodywork, and Professional Standards, Ethics and Business Practices. A FREE CD-ROM offers even more practice and familiarizes the user with taking the exam in an electronic format. Introduction includes test taking tips that are helpful when preparing for any type of exam. Mimics Certification Exam practice tests include questions on the same four major subject areas and at the same percentage of coverage as found on the NCBTMB Certification Exam. Easy format to work from, large size allows for better study sessions. Internal design is user friendly layout allowing the student plenty of room to jot down helpful notes during study sessions. Integration Questions unique chapter chapter 27 contains case study critical thinking questions that are useful for exams as well as real life professional massage therapy practice. These questions show how knowledge gained in educational programs is applied to daily use. Labeling Exercises a section of labeling exercises reinforces anatomical knowledge in an effective way and also gives the student a break from straight multiple choice questions. Practice Tests two sets of 200 question practice tests included. Tests are patterned after the certification exam with answer keys that contain rationales and information about the type of question presented. Multiple Uses can be used as a study guide for the certification exam or other exams such as mid terms or finals. Can also be used as a study aid for the two Fritz textbooks. Sandy Fritz is a best selling well respected Mosby author. CD-ROM FEATURES Realistic Testing provides a realistic test taking experience for the massage therapy student with the added benefit that the NCBTMB exam is given electronically as well. Complete features all of the multiple choice questions that are included in the book except for the integration questions from chapter 27. Random CD contains a randomization feature so that questions never appear in the same order for practice tests nor are they grouped by content area. The student takes a different test with every use of the CD. Customization student can customize his or her own test with

the option to emphasize areas of weakness Automatic Electronic Grading tests are automatically graded as soon as they are completed allowing the student to know his or her score immediately
