detailed but overall it's a great way to explore Hindu mythology. A fascinating and thought provoking read. The quiz format makes it fun and interactive and I appreciated the breadth of topics covered. I would have loved even more background on some myths but it's a valuable resource for all ages. A good book for testing your knowledge of Hindu mythology though I was hoping for more in depth explanations of some of the stories. Still it's a great way to learn and challenge oneself. Brilliantly compiled and well structured. This book not only challenges your knowledge but also educates you along the way. The section on Vedic rituals and temple architecture was especially enlightening. Highly recommended for mythology lovers. **Law**
