

Parting has never been such a sweet sorrow as long not for Sawyer Colahan and Chayenne Hamilton. Little do they know, that sorrow won't last forever. Or will it?

One summer forever changed the lives of Sawyer Colahan and Chayenne Hamilton. Two very lonely people found solace in one another and in the end, fell in love. Unfortunately their plans for the fall took them in entirely different directions and even though they thought they could work through it, life got in the way. Despite their best efforts, family issues and life's circumstances got in the way, breaking both of their hearts in the process.

Around six years later they find themselves face-to-face and old feelings resurface quickly. When the past collides with the present, will they be able resist the temptation,

or will they finally realize that they're where they've always been meant to be?
