Sweet As Contemporary Short Stories:

Sweet Romance "To Go" Kadee McDonald, 2019-01-02 Sweet Romance To Go contains ten short and super short clean and wholesome romance stories for today's busy reader. Included are stories of varying lengths for quick reads with a happy ending guaranteed. Misunderstandings, reunion romance, a fake relationship that becomes real, a cooking competition, a pharmacist with the perfect prescription for a bad cold, and beautiful matchmaking butterflies are all included in Sweet Romance To Go. Plus there's a special bonus story at the end about a family tragedy that brings a young couple a new chance for love. If you enjoy clean and wholesome romance and have only five, ten, or fifteen minutes today to read, there's a story here for you.

Kissing Tales — Volume 1 Kathryn Kaleigh, 2021-03-23 This is the first of three volumes in a huge collection of 100 of my short stories. Volume 1 has 35 sweet wholesome contemporary romance short stories. Volume two has 33 historical romances, and volume three has 32 time travel stories.

'Sweet As' Blair Polly, Wendy Moore (poet), 2014-11-07

The Beadworkers Beth Piatote, 2020-10-13 Beth Piatote's luminous debut collection opens with a feast grounding its stories in the landscapes and lifeworlds of the Native Northwest, exploring the inventive and unforgettable pattern of Native American life in the contemporary world. Told with humor, subtlety, and sparseness, the mixed genre works of Beth Piatote's first collection find unifying themes in the strength of kinship, the pulse of longing, and the language of return. A woman teaches her niece to make a pair of beaded earrings while ruminating on a fractured relationship. An eleven-year-old girl narrates the unfolding of the Fish Wars in the 1960s as her family is propelled to its front lines. In 1890, as tensions escalate at Wounded Knee, two young men at college, one French and the other Lakota, each contemplate a death in the family. In the final haunting piece, a Nez Perce Cayuse family is torn apart as they debate the fate of ancestral remains in a moving revision of the Greek tragedy *Antigone*. Formally inventive and filled with vibrant characters, *The Beadworkers* draws on Indigenous aesthetics and forms to offer a powerful sustaining vision of Native life.

knowledge alive and relevant *Atlantic Narratives: Modern Short Stories* Various, 2024-01-05 Excerpt Now it has been my pleasant task during the recent months to read or to reread scores upon scores of short stories that have been published in the Atlantic Monthly My object has been to select from the Atlantic files some of the best and most representative of these narratives for publication in book form and thus make these significant stories more readily available for the college school and the reading public Out of this study as it has combined and recombined with all my impressions of past readings have come certain convictions that have grown more persistent as the reading and the selecting have progressed

Anthologisation and Irish Short Fiction Paul Delaney, 2025-03-28 This original new study explores the recent flowering of short fiction in Ireland analysing the production dissemination and reception of the short form in the twenty first century and reading contemporary short stories in their many configurations and guises This volume covers twenty five years of Irish writing beginning in late 1997 with the establishment of the innovative literary periodical *The Stinging Fly* and concludes in 2022 The book is structured in five parts with each part focusing on a particular mode of publication periodicals single author volumes short story cycles edited anthologies and small or independent presses Each part includes a series of case studies while also engaging with a diverse range of short story criticism and theory both comparative and Irish centered Anthologisation and Irish Short Fiction brings different writers at distinct stages of their careers into conversation and This volume aims to illuminate the contemporaneous value of this body of work its innovative and varied use and the diversity of its practice Particular attention is also shown to the fluidity of the short form to its capacity to disrupt and arrest and to its progressive writerly potential **The Cambridge Companion to the American Short Story** Michael J. Collins, Gavin Jones, 2023-05-25 This Companion offers students and scholars a comprehensive introduction to the development and the diversity of the American short story as a literary form from its origins in the eighteenth century to the present day Rather than define what the short story is as a genre or defend its importance in comparison with the novel this Companion seeks to understand what the short story does how it moves through national space how it is always related to other genres and media and how its inherent mobility responds to the literary marketplace and resonates with key critical themes in contemporary literary studies The chapters offer authoritative introductions and reinterpretations of a literary form that has re emerged as a major force in the twenty first century public sphere dominated by the Internet **Kat Tales — Volume 2** Kathryn
