Sweet Patato Cookie Recipe:

The Sweetpotato Gad Loebenstein, George Thottappilly, 2009-03-21 In the last four decades of the twentieth century the use of sweetpotato was diversified beyond their classification as subsistence food security and famine relief crop In developing countries they serve both as human food and for feeding livestock In Western countries they appeal to health conscious consumers because of their nutritional aspects The sweetpotato is very high in nutritive value and merits wider use on this account alone The book has 2 parts A general one giving up to date information on the history botany cultivars genetic engineering propagation diseases and pests nutritional data and marketing and a second part presenting data on sweetpotato growing practices in different areas of the world The information should be useful to researchers practitioners and crop administrators in different countries
