Something More Alexander Kalenak M. D.,2009-07 Something More by Alexander Kalenak M D is a remarkable personal history of a WW II childhood a pioneering career in sports medicine and a life seeking the true meanings of medical care and spiritual faith As a young boy hungry for knowledge Alexander Kalenak played dirt lot baseball shined shoes delivered newspapers and worshipped his older brothers speeding along in the family s 1940 Buick All this and more took place in a quintessential American landscape a Pennsylvania coal mining town In this memoir Kalenak describes how his love of learning carried him into a career as a modern physician scientist He became an orthopedic surgeon just as sports medicine emerged as a field of specialty and he moved his young family to Hershey Pennsylvania to pursue the dream of being team physician for the Penn State Nittany Lions For twenty two years he pioneered new surgical techniques and cared for countless football players and other athletes Dr K or Coach K as he was called describes how he listened to all his patients with his surgeon s mind and with his human heart Stories of fishing biking in France playing golf and enjoying the beach with his family reveal the balance of a well lived life In his final illness pancreatic cancer Kalenak was a role model of perseverance and patience seeking new treatments that might ultimately help others He was named a member of the Hall of Fame of the American Orthopedic Society for Sports Medicine in 2006 and was cited as one of the Best Doctors in America From the book On my way to the training room where players were suiting up for the game I would stop to think about what kinds of emergencies I might have to deal with I would think about neck injuries head injuries broken legs dislocated hips and what would have to be done quickly I knew that for the next six or seven hours I would be in a world of semi controlled chaos and I wanted to be sure I was in a frame of mind to deal with any major crisis in front of a hundred thousand people I

would pray that there would be no serious injuries but if there were that I would be able to apply my knowledge and my skills to take care of the players This was my mental preparation for the game Throughout my life I have been certain that the central thing we have been put upon earth to do is to develop and nurture relationships If you nurture relationships many rewards will come to you It s just that simple
