In 1973 the firebombing of the Whiskey Au Go Go nightclub grabbed the headlines in Brisbane unlike any other disaster beforehand 15 people were killed amid the inferno the worst mass murder ever in Australia Rumours were rife Detectives were forewarned but was the firebombing part of an implausible notion to embark on an extortion racket Or was it a scheme for insurance purposes Perhaps it was the act of a disgruntled customer a former employee or someone owed money Politicians from all sides of Parliament demanded quick answers Unbeknown to but a few early in the morning after the fire Billy McCulkin was the first person interviewed by detectives while his wife and young daughters fled from their Highgate Hill house and they only returned to their house after the arrests of John Stuart and Jim Finch Later Mrs McCulkin confided to her co worker as well as a neighbour and her brother that she feared for her safety because she knew her husband and his associates were involved in both the Torino and Whiskey Au Go Go nightclub fires During the months of anxiety for Mrs McCulkin the courtroom appearances of Stuart and Finch heard repeated outbursts from them asserting that detectives had concocted a false verbal confession The subsequent wire swallowing protests by Stuart and Finch were extraordinary Finch even whacked off a piece of his finger but the self mutilating efforts from both achieved nothing The trial being the longest and costliest staged in Queensland proceeded without Stuart or any legal representative for him while he lay handcuffed to a hospital bed a first for any Australian court when a life imprisonment term is mandatory Not long after the Whiskey murder trial and the fifth reported wire swallowing protest from Stuart Mrs Barbara McCulkin and her two daughters disappeared murdered by Vince O Dempsey and Gary Dubois though they were not then brought to stand trial because the case was far too riddled with the standard 1970s police corruption Interwoven around the Waterside Workers Union journal Port News as its publisher William Stokes account of his acquaintanceship with everyone concerned including the bizarre Clockwork

BALLINA BOY Roger KA Allen,2010-10-22 The water was as smooth as glass and with a hint of diesel oil on the surface I could see all the colours of the rainbow we were not there just to catch fish but to dream This is the story of my childhood in Ballina in the 1950s Packed with adventure on the bustling Richmond River filled with fascination for my father s medical practice despite its intrusion into our family life and enriched by his enquiring scholarly mind these years offered a way of life that I loved and that exists no longer Book Review Roger KA Allen has written a beautiful and fascinating memoir about his family and childhood growing up in Australia in the 1950s The son of a unique country doctor and a nurse Allen touchingly chronicles his life in Australia from the time that his mother was pregnant with him to his ninth birthday He describes how his father s restlessness drove us into the wilderness like the Israelites in search of that promise of a land of milk and honey which his family found in Ballina New South Wales where his father bought a local doctor s practice The author s observations and accounts are very telling of the place and time that he grew up from the descriptions surrounding his father s medical practice to the medical profession in general and the practice

of frontal lobotomy or the horrors of shock therapy to the introduction of television which had most Australians more educated about American culture and politics than their own Allen also brings to light the similarities between the way the Australians and Americans treated the real first settlers to both those countries recounting the history of racism and atrocities against the Aboriginal people and the imaginary games of Explorers versus Aboriginals and Cowboys and Indians Throughout the book Allen places the events of his childhood Australia in context with world events effectively comparing and contrasting just how similar and different his own experiences and struggles were compared to those of people in other countries Allen s characters are human and real filled with strengths and flaws with all their prejudices love and hate from his father who is so devoted to his profession to his mother s relentless loyalty to her family to the residents of the town and the people he meets on his travels Allen s story captures the wide range of boyhood emotions We see joys of his childhood expressed in humorous accounts like his father battling with crabs that are doing their best to avoid the final trip on the tumbrels to the final hell of the execution pot He evokes a young boy s wonder in the description of the aftermath of a flood which lends itself to a great exploration of the insects shrimp and frogs that have surfaced The author evinces the humor of the sex education offered by the literary delights at the local barber and the heartbreak of childhood lessons when he describes a touring marionette company s performance about a little Aboriginal boy who befriends a baby wombat But in the end the boy had to leave them all to return to the world of humans as if this mortal life always has to have a sad ending Ballina Boy is a childhood account brought to life in a rich tapestry of anecdotes stories culture and history lessons a highly recommended read Maya Fleischmann
