This equipment may generate or use radio frequency energy. Changes or modifications to this equipment may cause harmful interference unless the modifications are expressly approved in the instruction manual. The user could lose the authority to operate this equipment if an unauthorized change or modification is made.

Abstract

It is recommended to use a surge protector for AC connection. Lightning and power surges ARE NOT covered under warranty for this product.

[illegible]

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- ¹² Disconnect or reposition the receiving antenna.
- ¹³ Increase the separation between the equipment and receiver.
- ¹⁴ Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- ¹⁵ Consult the dealer or an experienced radio/TV technician for help.

FOC RF Radiation Exposure Statement Caution: This Transmitter must be maintained outside a restricted distance of at least 30 cm from all persons.
