What: Swan Creek National Wildlife Refuge Day Camp

When: Week-Long Day Camps from June 5-August 21, 2021

Where: Swan Creek National Wildlife Refuge (at the headquarters)

Open to: 5th through 8th Grade Students

When was the last time you spent an afternoon immersed in nature, experiencing sights and sounds you could never enjoy in the city? Did you know there are 38 different types of birds native to our area, all of which you can find at Swan Creek National Wildlife Refuge? The refuge backwaters are home to beavers, mallard ducks, geese, largemouth bass, and slider turtles, among many other inhabitants. What better way to spend a few days this summer than with us at the refuge, experiencing nature at it's finest? Swan Creek National Wildlife Refuge is offering a series of week-long day camps this summer, designed for children who are rising fifth through eighth graders. Children will participate in informative seminars and nature observations led by wildlife rangers. On nature hikes through the refuge, camp participants will explore a native forest comprised of trees and forestry indigenous to the area. Other activities include hiking along the raised boardwalk through the sunken forest, identifying wildlife from the refuge observation center, and participating in nature photography classes. The first 50 campers to register will receive a Striker backpack, compliments of Swan Creek!
