Swimming With God:

Swimming with God Barbara Alpha, 2014-11-24 Barbara Alpha spent the majority of her life living in hostility towards God while thinking she was in good standing with Him Barbara admits that it is a scary thought now realizing that she had believed that she was okay with God up until she had an encounter with Him and was truly born again While eternally grateful to God for rescuing her Barbara confesses that she is not a stranger to abuse nor blind to the consequences of sin The godly may trip seven times but they will get up again But one disaster is enough to overthrow the wicked Proverbs 24 16 NLT Though Barbara may not have everything figured out one thing she knows for sure is that she loves God and without a doubt He loves her I don't mean to say that I have already achieved these things or that I have already reached perfection But I press on to possess that perfection for which Christ Jesus first possessed me Philippians 3 12 14 NLT Barbara's heart is for others to share in this revelation to know God love God and to believe that He loves them and will truly never forsake them For I am the Lord your God who takes hold of your right hand and says to you Do not fear I will help you Isaiah 41 13 NIV Barbara is the founder and director of a ministry that reaches out to people mostly teens that have been abused neglected and rejected by the very people that should have been loving and protecting them She is also a Licensed Minister and Certified Faith Based Counselor

Sports and Play in Christian Theology

Philip Halstead,John Tucker,2020-11-24 Sport is a major preoccupation of the modern world It consumes the time and energies of millions of people around the globe In fact for many participants it operates much like a functional equivalent of religion giving them a way to interpret and understand the world Sports stadiums are the cathedrals of our time Sports stars are the saints or demi gods through whom we access the transcendent Members of the sports media serve as religious scribes and sports fans are the worshiping faithful What is true of sport is also true more generally of play Nevertheless and quite remarkably Christian theologians and religious historians have been surprisingly slow to recognize the spiritual and cultural significance of sport and play or to engage in the study of these concepts This book attempts to redress that neglect by integrating sport and play with Christian faith and practice In Sports and Play in Christian Theology ten Christian scholars and practitioners explore sport and play from theological biblical historical and pastoral perspectives This rich collection of wide ranging reflections and focused case studies will help readers locate sport and play within Christian faith and practice
