Swirl Chasing Thrills Book Bwmm Interracial Romance English Edition:

Swirl: Chasing Thrills (Book 1) (BWWM Interracial Romance) Lexi Lewis, 2015-05-05 Reese Abbot and Evelyn Cooper lead very different lives. One of them is an up and comer in the extreme sports world making a name for himself in competitions that test skill and nerve. The other is a nurse struggling to balance work, raising her kid brother, and keeping the bills paid on time. When an accident during a competition throws these two into the same hospital room, sparks fly, and neither of them are interested in ignoring the fact that they're drawn to each other. But with their vastly different lifestyles and the fact that there may be someone with a dangerous grudge against Reese, sparks might not be enough to keep them together. **Swirl:**

Taking Spills (Book 2) (BWWM Interracial Romance) Lexi Lewis, 2015-05-04 Healing and moving on are the two things first and foremost on Reese Abbot's mind in the weeks following his injury. He wants to survive, living with his parents and their insistence that he pursue a safer career path, figure out how to climb back to the top of the extreme sports ladder once he's all healed, and get closer to Eve, who he can't keep his mind off of while he's at it. Lofty goals, but some of them seem to be easier than others, as Eve and Reese spend more time together. Things aren't easy for her either, though, with the threat of her father's return hanging over her head, and when her brother starts getting in trouble at school for things he can't help, she turns to Reese for comfort and a listening ear. But it won't be quiet and easy for long, and whoever wants Reese out of the competition is still out there, and perhaps closer than anyone expects.

Rebels Jamila Jasper, A small Southern town wants to bring back the rigid rules of the confederacy, forcing Caroline to hide her twisted and complicated relationship with three hot white men, as she tries to stop a small town conspiracy. Caroline doesn't want to choose between her career in politics or the three hot men who share her bed every night. She shouldn't have to choose. But right now, freedom is under threat. The older generation wants a return to the stars and bars, and a fight against diversity. All interracial relationships could be illegal soon. Relationships with three white men and one black woman could be punishable by death. Caroline never meant to get involved in politics. Neither did Travis Chase or Bud. This was just supposed to be about heat between the sheets. But when loving someone of a different race leads to blood feuds, political assassinations, and murder, is it possible for love to survive? This romance will be nothing like you expect. This is a dark and twisted interracial reverse harem romance with NO MM action. The three men focus strictly on pleasuring the female lead. This action-packed bwmm romance contains every trigger in the book. If you enjoy small town Southern romance stories with a black female lead, take a leap into this daring story.
