Der Erste und der Letzte Ekkehardt Müller, 2011 Dieser Band versteht sich als Beitrag zur Auslegung der Johannes Apokalypse auf Grundlage einer positiven biblisch historischen Ausrichtung Dabei deutet der Autor dieses einzigartige Buch aus Sicht der Siebenten Tags Adventisten die sich der biblischen Apokalyptik und Eschatologie verpflichtet fühlen Obwohl sich das Werk mit hermeneutischen Fragen beschäftigt und versucht große Teile der Offenbarung zu interpretieren geht es doch darüber hinaus indem es nicht einfach nur Endzeit Szenarien vermittelt sondern die großen theologischen Linien der Apokalypse nachzeichnet Der Band weist vor allem auf den dreieinigem Gott hin und auf Jesus Christus den Ersten und Letzten dessen Offenbarung die Apokalypse ist

Jesus—The Portrait and Inscription of God George Paki, If we want to understand what God was telling John about the future we need to first understand what John understood Professor Jon Paulien Loma Linda University USA In *Jesus The Portrait and Inscription of God* the author pours his years of research into addressing the issue that Jon Paulien highlights Paki builds an intriguing case for a dual focused method of interpreting Revelation He uses this method to show i that Revelation was written primarily to John and his initial audience ii that the same prophecies also speak to us with clarity and force iii Then he wonders if God intentionally used the same material to speak to an audience then and now When this method is applied to Revelation 13 the text does come alive Deep theological truths and nuggets extracted are way too many to recount in a single book In fact this fresh approach minimizes most of our interpretive issues and enhances our understanding and appreciation of the apocalyptic Christ Some of our leading scholars agree It is well written well laid out and has good solid biblical insights Good solid evidence for Revelation's high Christology Dr Kayle de Waal Avondale College Australia I found it thoughtful helpful and interesting to read The style of presentation is also very attractive Professor Jon Paulien Loma Linda University USA You have clearly shown the relationship between Revelation 13 with the rest of Revelation Dr Ross Cole Avondale College Australia The method used its interpretations and the theological insights are corroborated by other Johannine books the New Testament the Old Testament and the Spirit of Prophecy This volume will enhance the libraries of academics and laypeople alike

Seeking a Sanctuary Malcolm Bull, Keith Lockhart, 2007 The story of a large yet little known Protestant denomination

Echoes of the Most Holy Andre Reis, 2022-03-01 The Levitical Day of Atonement was a day of penitence confession and judgment for Israelites of loyal character and a day of covenant renewal for the nation of Israel On this day sin was removed from the tabernacle through the application of sacrificial blood to its altars and compartments as well as by the dismissal of the goat for Azazel which carried all the community's sin to a barren land As it became ingrained in the veil of Jewish consciousness the Day of Atonement underwent a process of abstraction over many centuries leading up to Second Temple times when the Most Holy Place lay devoid of the ark of the covenant and its mercy seat Continuing to reverberate in the Jewish imaginaire the Day of Atonement was received by the authors of the New Testament including John of Patmos to whom its sacrificial typology provided irresistible motifs which they used to proclaim the Christ event By utilizing a coherent intertextual approach this book explores how John wove the Day of Atonement into the colorful literary tapestry of Revelation

Angels and Beasts Laurentiu Florentin

Mot, 2017-03-13 Angels and Beasts looks into the interplay between the angelic figures in the vision of the seven seals John creates a relationship between the four living creatures and the four riders in Revelation 6:1-8 that must not be overlooked This connection works between the two groups as a whole and at the one to one level The blending of symbols and the communication between these symbolic figures reveal exegetical theological and spiritual lessons Both the scenario and the

script of John's vision talk about terms and ties in the realm of angelic beings For John these relations in the world above are a code to unlock relations in the world below *Subject Guide to Books in Print*, 2001 **Enciclopedia de Elena G. de White** Denis Fortin, Jerry Moon, 2020-11-30 La Enciclopedia de Elena G de White es el recurso bibliográfico más destacado que produjo la iglesia en los últimos 50 años Consta de más de 1 300 artículos que abarcan descripciones sobre multitud de temas entre ellos los lugares donde vivió Elena de White personas que se relacionaron con ella y su postura sobre cientos de temas También encontrarás una cronología detallada de su vida y artículos exhaustivos sobre su ministerio su teología y sus declaraciones Todo detallado con más de 15 000 referencias y citas a sus escritos Un material sencillo de usar tanto para quienes no conocen mucho sobre el tema como para un especialista *The Book of Revelation in Christological Focus* Dan Liroy, 2003 By making use of a grammatical historical form of exegesis Dan Liroy conducts a thoroughgoing textual analysis of Revelation with special attention given to the connection between its Christocentric themes and its doctrinal rationale The result is a comprehensive study that is informed by the Old Testament the New Testament and extrabiblical material Appropriate for personal study as well as a college and seminary text this book provides an insightful engaging and scholarly treatment of the Apocalypse [Episodes In Visions](#) Zebron Ncube, D. Min. , 2018-04-30 In his book Dr Zebron Ncube argues that in spite of socio political chaos and pessimistic and secular thinking that dominate human society the Book of Revelation tells us that God is still in control This is the prism through which the Book of Revelation should be read In Episodes in Visions each episode has its own full Bible text key thought major objective overview and discussion with practical implications The preacher will find this book to be a tremendous resource for a preaching series Individuals and study groups will benefit from the easy to use outlines of the book The book is written from a preacher's perspective to give hope to a cowering spirit because the foundations of human society are crumbling God is in control Dr Zebron Ncube explains the mysteries of symbols and numbers to connect the contemporary mind with John and his first century audience No other book has so much relevance to the contemporary church and world as does the Book of Revelation that Dr Ncube writes about

The Redeemed Good Defense Anthony MacPherson, 2021-07-06 Why God Everyday this question is uttered in sorrow bewilderment or anger This cry is the problem of suffering It is also known as the problem of evil It asks why a good all powerful God allows evil and pain Theodicy is the name of the theological responses that seek to defend God against charges of unfairness Traditional theodicies have been accused of intensifying the problem by claiming that God is justified in allowing evil because he uses it to bring about a greater good This greater good approach has been criticized in more recent times It seems to uncomfortably align God and evil too closely together Does God need evil in order to bring good This study explores an alternative stream of theodicy found in the idea of cosmic warfare In this theodicy God fights evil in its moral physical spiritual and supernatural forms This book explores the world of theodicy and its cosmic warfare forms It navigates the theological and ethical minefields involved Building on the idea that God is in the midst of a great cosmic controversy it

seeks to further the conversation and articulates a new alternative redeemed good defense **The Oxford Handbook of Seventh-Day Adventism** Michael W. Campbell, Christie Chui-Shan Chow, David Holland, Denis Kaiser, Nicholas Miller, 2024
 This Oxford Handbook contains 39 original essays on Seventh day Adventism Each chapter addresses the history theology and various other social and cultural aspects of Adventism from its inception up to the present as a major religious group spanning the globe **Reading Revelation Missiologically** Abeneazer G. Urga, Edward L. Smither, Michael P. Naylor, 2025-10-28
 Through Global Mission to God's Throne Few works on Revelation emphasize its missional element
 Reading Revelation Missiologically aims to fill that gap showing that this final book of the Bible is deeply missional calling God's people to witness worship and endure in the face of suffering As the fourth volume in the Reading Missiologically series following Hebrews 1 Peter and James it highlights Revelation's call to faithfulness perseverance through suffering and global worship of the Lamb Structured around the missionary motive why message what and methods how this volume explores Revelation's theology of mission Revelation is replete with the theme of God's love for the nations and it calls God's people to live as a foretaste of the coming new creation Global voices offer fresh insights for pastors scholars and students Rather than a puzzle to decode Revelation is presented as a powerful missionary declaration *Revelation of Jesus Christ* Ranko Stefanović, 2002 **Andrews University Seminary Studies** Andrews University. Seventh-Day Adventist Theological Seminary, 2000
