We Found Love Lani Blake, 2023-04-29 Beauty and the tormented beast Ford Winter the oldest and according to his siblings ugliest is a man with carefully hidden secrets Outwardly relaxed laid back and happy with life on his family's ranch Ford takes comfort in the daily rhythms of his life Under the surface however he is battling with the demons of something he will never share with anyone Business takes him from his hometown and when he finds a desperate woman standing outside his hotel room clearly in pain he does what he does best Steps in to help her What he doesn't realize is that life as he knows it from that moment is about to change forever after their encounter Autumn Harris the sweet new teacher in town and the woman he rescued is a single mother and way too nice for the likes of him He doesn't want nice and sweet or a relationship because at night when the door to his room is closed often Ford's life changes for the

worse Plagued with nightmares from an event that changed his life he never wants anyone to see his demons Especially not Autumn Can their demons be tamed Autumn desperately needs a life change both for herself and her son Ritchie So when she reads about a teaching position in Ryker Falls Colorado she jumps at the chance Finally she can escape the man who once held her heart A man who thinks he can still be part of their lives despite Autumn s protests The Ryker Falls community welcomes her and Ritchie wrapping them in a secure blanket of love and support After the hell that she s come from it s like the best kind of dream come true Right up until the day she walks into Ford Winter again He s the man who tenderly looked after her the man who showed her such gentle kindness when she d no one else to turn to The tall imposing rancher with the easy smile but shadowed eyes Autumn senses something is off with Ford Something dark is plaguing him his unspoken demons obvious in his manner and rejection Autumn is both scared yet drawn to an inward struggle she well recognizes but she also knows her heart can never be truly his Not when she has so much at stake Can Ford and Autumn heal each other or will the past that comes calling stop them from finding a future together

Rihanna Fenty first moved to the United States to pursue a career in music there was no indication that she would become anything other than another flash in the pan sub Beyonce pop starlet Born and raised in a working class area of Saint Michael parish in south west Barbados Rihanna was the eldest daughter of Monica Braithwaite and Ronald Fenty Her father struggled with addictions to crack cocaine and alcohol leading to her parents divorce when Rihanna was 14 after which she maintained contact with her father but continued living with her mother and two younger brothers Rorrey and Rajad Like many teenage girls she formed a singing group with friends and dreamt of becoming a pop star However unlike many teenage girls Rihanna also benefitted from good connections When she discovered two US record executives were holidaying on her home island an audition for her group was arranged by mutual friends History has forgotten the other two members of Rihanna s singing group but in Miss Fenty record execs Carl Sturken and Eric Rogers saw something marketable Jay Z did too He signed her to Def Jam during his brief tenure as president allowing for the release of two albums of reggae tinged R B that would make her name The caribbean influences in Rihanna s early releases made her a refreshing novelty for R B fans but if that was all she had to offer no doubt by now Rihanna would be just another footnote in pop history alongside Ashanti Amerie or Christina Milian remember them But Rihanna had something else Perhaps inspired by her oft cited idol Madonna she has demonstrated an ability to shapeshift in a way that is always uncannily ahead of the trend **Billboard** ,2011-10-01

Berman,2013-01-10 This fun and helpful book is one s girl s autobiography She grew with many of life s experiences meeting all kinds of people from all walks of life Learn how to keep the love of friendship strong and well in spite of the odds Learn how to experience nature and reap its benfits Learn the nature of true love The main reason we lose love is because it was not true love to begin with Then there are people who come into our lives to give us temporary help They serve a good pupose but these relationships usually fade when the help is no longer needed Her first husband claimed to love her but he did not show it He was seldom home The heroine shows how to get what you want when you want something so badly She

reaches her goals against all odds Nothing stops her from getting an education Her love for the French language came to her quite by chance She seized the opportunity to learn French and fell in love with it The heroine s son also learned how to cope with life s problems Like his mother he beat the bullies without lifting a finger He has the gift of gab His mother has the gift of writing He can talk to anyone anytime about anything His mother will write down every happening She is also his confidant and ally against a sometimes cruel world He is an only child but he is not spoiled As you will see he is quite an actor You will laugh through the book At times you may cry but not for long The book is up beat with a little drama as life unfolds So hold onto your seat for the ride of your life
