Inspired Life B. S. Ahluwalia, Prof Ahluwalia, 2013-09 Why are some people rich and successful How did they achieve success Did they have an external influence or did they succeed through their own hard work We all have desires and aspirations for money power and fame At the back of it is the need for financial security and achievement Although these things are common across people there is a huge variation as to what different people achieve in life What are the reasons for this anomaly The reasons lie within us Although there is no restriction in having dreams and wishes we set very low targets and goals for ourselves The hard fact is that you may achieve 70 percent or 90 percent of your target but you will never achieve more than your target By setting lower targets and by having lower aspirations you are only stunting your growth To start with all of us have same the potential but most of us are not even aware of the powers of our mind and our body Professor Ahluwalia highlights all these aspects and lays down the road map for you to realize your power and potential and how to succeed in life achieving the success you richly deserve

lesson Rags to riches stories in this book have been told to inspire other people to rise from poverty and become rich. Most of the people in this book rose from obscurity to gain fame through many hurdles. Classic stories like the tales of Alladin and Cinderella are often treated as cases of such stories. The life of Gengis Khan who lived with his mother and siblings used to be homeless before he annexed lands which later became the largest empire. During the Roman Empire the Emperor Diocletian was born poor to a slave father. Sir Gareth in the King Arthur story was a kitchen boy before he became a knight. In India the Mauryan Emperor Chandragupta Maurya was also poor. In China Emperor Gaozu and Hongwu Emperor came from a peasant class. It is not easy to rise from poverty to a life of fame and fortune. A lot of stories had been written to inspire people to move out of their comfort zones to a life of immense wealth. Lessons from rags to riches stories have been published for readers to learn and apply them in their own lives.

Gospel Herald, 1916. **Living Life While Working and Enjoying All the Blessings of Life** Dr. Ali Raza Butt, 2015-04-25. This book is about life and how to get the best out of life. It reminds us that life is the most beautiful gift of nature and we should make the best out of our life. It educates us on how to maintain the best balance in life to have maximum happiness and satisfaction in life. It tells us that a lot of us focus completely on our work and just sacrifice everything else in life, but we should not forget that despite work as a very important part of our life, it is still a part and not the whole life. If we just focus on our work only, it will create imbalance in our life and our personal life will be full of stress and as a result, our professional life will also suffer. Balanced life will allow us the luxury to be satisfied and successful in the two most important aspects of our life: personal and professional. The modern cutthroat global competition forces us to forget about really living life full of happiness and we are just busy in living. A balanced life should be in which we value all aspects of our life and not just one aspect and ignore all other things and create an imbalance in our life affecting not only

our own personal life but also the lives of important people around us Imbalance in life will increase our pressures and stresses and a balanced life will bring peace of mind and will soothe us and we will be full of energy and motivation We should be really thankful for all gifts our Creator has gifted us in our life and in the world around us This beautiful gift of life can be made more beautiful by creating a beautiful balance in our life
