Jen Glantz,2017-02-07 In the tradition of Sloane Crosley Mindy Kaling and Katie Heaney a hilarious and insightful memoir about one New York City Millennial s journey to find herself her dream career and true love all while juggling a truly unique job as the world s only professional bridesmaid After moving to New York City in her mid twenties to pursue her dream of writing and not living on the Upper East Side of her parents house anymore Jen Glantz looked forward to a future of happy hours and Sunday brunches with her besties What she got instead were a string of phone calls that began with Jen I have something exciting to tell you and ended with I d be honored if you would be my bridesmaid At first she was delighted but it wasn t long before she realized two things all of her assets were tied up in bridesmaid dresses and she herself was no closer to finding The One She couldn t do much about the second thing though her mother would beg to differ but she could about the first One slightly tipsy night Jen posted an ad on Craigslist advertising her services as a professional bridesmaid When she woke up the next morning it had gone viral What began as a half joke suddenly turned into a lifetime of adventure for Jen and more insight into the meaning of love than she was getting from OKCupid as she walked down the aisle at stranger after stranger s wedding Fresh funny and surprisingly sweet *Always a Bridesmaid For Hire* is an entertaining reminder that even if you don t have everything together you can still be a total boss or at the very least a BFF to another girl in need *You Play the Girl* Carina Chocano,2017-08-08 National Book Critics Circle Award Winner With dazzling clarity Chocano s commentary exposes the subliminal sexism on our pages and screens O The Oprah Magazine As a kid in the 1970s and 80s Carina Chocano was confused by the mixed messages all around her that told her who she could be and who she couldn t She grappled with sexed up sidekicks princesses waiting to be saved and morally infallible angels who seemed to have no opinions of their own It wasn t until she spent five years as a movie critic and was laid off just after her daughter was born however that she really came to understand how the stories the culture tells us about what it means to be a girl limit our lives and shape our destinies In *You Play the Girl* Chocano blends formative personal stories with insightful and emotionally powerful analysis Moving from Bugs Bunny to Playboy Bunnies from Flashdance to Frozen from the progressive 70s through the backlash 80s the glib 90s and the pornified aughts and at stops in between she explains how growing up in the shadow of the girl taught her to think about herself and the world and what it means to raise a daughter in the face of these contorted reflections In the tradition of Roxane Gay Rebecca Solnit and Susan Sontag Chocano brilliantly shows that our identities are
