The Plan We Need for Security, Peace, and Justice George Skoglund, 2008-06 Our search for security peace and justice continues to be an individual and a collective challenge The Old Testament experiences of the patriarch Job and the New Testament experiences of the apostle Paul provide a framework for understanding the hope that enriches our lives under God's care The plan we need recognizes that we have choices to make We have decisions that influence the direction of our lives To find security peace and justice we need a plan to form and keep a right relationship with God When we lose control over the decisions that set security peace and justice in our lives we can feel like a pile of broken pieces To have security peace and justice we need to live in fellowship with God When our purpose and direction in life meet God's requirements we please God With Jesus Christ as our Savior and the Holy Spirit as our Helper God provides the support we need to find rest and renewal The foundation of our happiness now and our hope for the future is our salvation and the joy of sharing our beliefs with others When our thoughts and actions are in keeping God's will for us we can access the possibilities and power that God makes available to us as mature members in God's family This book is for anyone who feels disconnected from God For people dealing with loneliness fear despair and anger The Plan We Need for Security Peace and Justice describes a systematic way to become a functioning part of the body of Christ and to complete the connection with God
