Weapons Of Choice Axis Of Time 1 John Birmingham:

Weapons of Choice John Birmingham, 2004-06-01 On the eve of America's greatest victory in the Pacific a catastrophic event disrupts the course of World War II forever changing the rules of combat The impossible has spawned the unthinkable A military experiment in the year 2021 has thrust an American led multinational armada back to 1942 right into the middle of the U S naval task force speeding toward Midway Atoll and what was to be the most spectacular U S triumph of the entire war Thousands died in the chaos but the ripples had only begun For these veterans of Pearl Harbor led by Admirals Nimitz Halsey and Spruance have never seen a helicopter or a satellite link or a nuclear weapon And they've never encountered an African American colonel or a British naval commander who was a woman and half Pakistani While they embrace the armada's awesome firepower they may find the twenty first century sailors themselves far from acceptable Initial jubilation at news the Allies would win the war is quickly doused by the chilling realization that the time travelers themselves by their very presence have rendered history null and void Celebration turns to dread when the possibility arises that other elements of the twenty first century task force may have also made the trip and might now be aiding Yamamoto and the Japanese What happens next is anybody's guess and everybody's nightmare

John Lennard, 2010-01-01 **Designated Targets** John Birmingham, 2006-12-26 It's World War II and the A bomb is here to stay The only question Who's going to drop it first The Battle of Midway was forever transformed by the devastating appearance of a U S led naval task force from the twenty first century Since that day state of the art warships have prowled the Pacific armed with the latest instruments of mass destruction as the warring powers of 1942 scramble to be first to wield the weapons of tomorrow against their enemies Russia and Germany form a deadly alliance while Admiral Yamamoto moves to seize Hawaii and invade Australia Suddenly it's a whole new war with unimaginable high tech tools and high stakes international betrayals from Tokyo to Washington to the Kremlin As the world trembles on the brink of annihilation Churchill Stalin Roosevelt Hitler and Tojo confront extreme choices and a future rife with possibilities all of them apocalyptic
