

Professional logo, Gold colour represents richness and the Crescent has an Islamic feel. Horizontal alignment needs a slight adjustment to make it centred.

Typography into two small. The blue in the sub needs to be much more prominent as this is often the most visited page after the Home page.

What relevance has the background image to the business? If the unique selling point is Sharia compliant then some Islamic imagery should be used instead.

Even though this CTA is important to not important for new customers and therefore should be less prominent. It would be better to incorporate a Short Action Item.

CTA Button not prominent enough. A new colour scheme should be used throughout site.

Confusing labelling. Consumers are not interested in such details. Paragraph text has a larger line height. It should be slightly reduced.

Generic stock images don't give a sense of authenticity. The use of Islamic photography would be more appropriate.

vertical spacing between links too large. Need to reduce. Icons associated with links too far away from text. This is hard to achieve in HTML and CSS, therefore an alternative should be considered.

Perhaps a snippet about who you want to attract this is not Islamic specific to the about page.
