Weekend Warriors James A. Sanderson, 2015-01-30 James Sanderson joined the Australian Army Reserve at the age of 17 with little appreciation for what adventures lay in store His ten years as a weekend warrior were mainly spent as a Gunner within the confines of his home country but he later jumped in boots and all to go on a Radio Operator deployment with a Papua New Guinean platoon in the Solomon Islands Somehow he survived Molotov cocktails night patrols being gassed and jumping out of a helicopter All this in a place so hot he cooked his eggs on the bonnet of a jeep Along the way he learnt about his new wontoks friends from all over the world a bit about women and a lot about himself He also discovered that things can get interesting if you have a bonfire with marijuana plants that you never know what might face you in the fridge at night and why you should never play soccer in a field of coconut trees If the description above doesn't appease you perhaps my Animation and Army Taser boy did that hurt video will visit sandysbooks.com.au to know more **The**
