A top-down view of a wooden workbench cluttered with a wide variety of tools. In the upper left, a red and black cordless drill stands vertically. Next to it is a red impact driver. To the right, another red impact driver lies horizontally. Scattered across the center are numerous sockets, wrenches, and screwdrivers. A large, black and red adjustable wrench is prominent in the lower left. A red tape measure is coiled on the right side. A yellow level is also visible. In the background, a blue container holds many screws. A red box, possibly for a battery or a small tool, sits near the center. The tools are arranged in a way that suggests a comprehensive kit for a specific task, likely related to the car repair mentioned in the text.
