9780618258154 **Entrepreneurship in Tourism** Andreas Walmsley, 2025-05-29 This timely and innovative book is a theoretically underpinned yet accessible introduction to entrepreneurship in tourism The volume takes an intuitive step by step approach through entrepreneurship in tourism it begins with a review of key concepts in entrepreneurship and applies these to tourism it then tackles the practical elements of the entrepreneurial process in tourism as well as firm growth with a specific focus on entrepreneurial marketing The final chapters of the book take a more macro perspective at reviewing the place of entrepreneurship in society and how context shapes entrepreneurship in tourism This second edition has been fully updated to include A wider restructure of the original text including the addition of chapters on the context of tourism the addition of sustainable tourism entrepreneurship in a chapter on social and sustainable tourism entrepreneurship alongside a chapter on the role of tourism in offering a pathway to empowerment New content covering key developments in

entrepreneurship including important topics that are only beginning to find their way into tourism literature. This includes themes such as business models and business model innovation, crowdfunding in tourism, the role of AI and digitalisation in tourism, marketing, sustainable tourism, entrepreneurship, tourism entrepreneurial ecosystems, and the role of tourism entrepreneurship in supporting empowerment and poverty alleviation. These novel themes co-exist alongside material from the first edition that remains under-researched, such as how tourism firms may maintain an entrepreneurial orientation and innovations in tourism employment. Updated global case studies and examples from industry and academia throughout. Each chapter offers an abstract, learning outcomes, and a series of questions to stimulate critical engagement with the material covered. As such, the text offers an invaluable resource to tutors and their students on both undergraduate and postgraduate programmes in tourism, as well as tourism scholars engaging with the dynamic phenomenon of entrepreneurship in tourism.

Strategies to Sustain Small Businesses Beyond 5 Years Dr. Kayaso Wani, 2022-08-01. Starting a business might sound easy, but sustaining it to be successful is challenging. People are often afraid to start new businesses because at least everyone has known someone who started a business but failed, or someone struggling to sustain a business. Starting your own business and staying successful is the most exciting achievement. This book, *Strategies to Sustain Small Businesses Beyond 5 Years*, is used worldwide to help aspiring or struggling business owners succeed. The book is for anyone interested in doing business. aEURC You might be a passionate creator starting your business out of love for what you do and believing that passion is a crucial quality of success; running your business gives you a sense of accomplishment and pride. aEURC You might be a freedom seeker starting your small business; you value the ability to control your work experience and want to be in charge of your own schedules, career path, and work environment. aEURC You might be a legacy builder starting a business to bring something new to the marketplace; practical in your approach to business ownership. aEURC You might be a struggling survivor profile representing the cold, hard truth of business ownership. aEURC You might be a Jack of all trades in your business, spreading too thin from managing directive sales, administrative duties, to customer service. This book is the path to success in your business. Sometimes running a small business is more frightening than rewarding, and the fear is real, deeply rooted in you facing the challenges of ownership every day. The motivation of a small business owner is as diverse as the business itself. It's very important to understand your category, to know your strengths and weaknesses, to adjust accordingly.
