Teacher: Good morning, Class 4B. Can you listen carefully, please, because I've got some information about this year's camping trip for you and for Class 4A? First, where are we going? Well, I know some of you wanted to go to Spain, but as you are learning French this year, we're going to France. We'll be away on the trip for five nights, but only three of the nights will be at the campsite. We'll travel on the first and last nights.

Now the cost. This year each person will need to pay £180 for the whole trip. We know it's a lot of money, but you don't have to pay it all at one time. You can pay £60 a month in March, April and June.

As you know, two classes from our school are going together this year. 27 students from this class can go, and 25 students from the other class. So that's 52 of you. There will be three teachers, too.

The campsite's great. There's lots to do there: you can play volleyball and tennis outside, and badminton inside. There's a great sports hall for that. You can also learn new skills at the campsite. Students will get awards for cooking and art on the last night. There will also be sports competitions.

If you want to come on the trip, please take a form from my desk today. Take it home, ask your parents about it and fill it in. Then, bring your form back next Monday. I will put up a list of everyone that is coming on the trip in the classroom next Friday.
