Master Level

Manual

Sufi Reiki was created by Reiki Sufi Master Sami Pajunen in Finland at the end of 1999. Reiki Sufi was introduced to Indonesia by Mr. Fajar Isbandi with the help of the first few Reiki Sufi Masters including Rudi, Eko Yuwono, Edys Susanto , Hikam, Rachmat Hanafi, Adi Setiawan, Andry , and others.

Sufi Reiki is a Reiki that accesses Sufistic energy by the moment method. This energy may be different from the reiki Usui energy but as far as I m concerned the difference is something that is felt individually and it is not for me to describe the differences. The aim of the energy however is to enable the practitioner of Sufi Reiki to become a spiritually enlightened person who is also able to do healing for him/herself as well as for others.

Sufi Reiki has 3 levels followed by the band attunements. The Usui Reiki symbols may be used after the second attunements , however many Sufi Reiki Masters do not use any symbols. It is hoped that when the Sufi Reiki practitioner has completed the 3 levels of attunement that all the chakras are well expanded and the energy fields are clean and there are no blocks .The ego should be less and is replaced by a heightened

Lived Religion Meredith B McGuire,2008-08-22 The divergence of religious practices from one individual to another has long baffled scholars of contemporary religion whose research often assumes that individuals commit or refuse to commit to an entire institutionally defined package of beliefs and practices Social surveys typically ask respondents to self identify by denominational or other broad religious categories Sociologists attempt to measure religiosity according to how well individuals conform to the official religious standards such as frequency of church attendance scripture reading or prayer In this book Meredith McGuire points the way forward to a new way of understanding and studying religious behavior Rather than try to fit people into prearranged packages she argues scholars must begin to study religion as it is actually lived and experienced in people s everyday lives **The Basics of Reiki** Penelope Quest,2012-12-27 The Basics of Reiki offers a clear and accessible introduction to an increasingly popular and powerful healing art Best known as a gentle hand healing technique for physical ailments Reiki is also a holistic system that can be used for healing body mind spirit and even emotions through energy healing and hand positions over the body In this helpful and easy to follow book you will discover everything

psychological distress As such consideration of these factors will infuse this three volume set **Reiki: Universal Gift of God's Healing Love Level I and II Training Manual** Eileen Curteis,2011 After seventeen years as a practitioner and teacher of Reiki Sister Eileen has been astonished by the sheer number of people who have continued to stream through the door People of all ages and traditions have come seeking their healing and finding it as Eileen did when she first embarked on this foreign road that soon became home to her Eileen has come to recognize through her many years of practice that there is an inherent healing power within each of us and that the gift of Reiki is able to activate it In her training manual Eileen brings with her a core community of Reiki practitioners from different traditions and backgrounds that journey alongside her and recognize as she does the simplicity wonder and beauty of God s universal gift for our time The healing stories are too numerous to count but she does include specific testimonials within her training manual that speak for the thousands of others who have been healed through the doorway of Reiki In this way Eileen s Level I and II training manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner Written with inspiration and clarity Eileen takes the reader on an amazing journey into the dynamic world of the inner self Like a fresh current of air she presents her material in an appealing and easily digestible manner The uniqueness of Eileen s Reiki training manual lies in her ability to weave the Christ conscious healing dimension into it just as an alchemist would when producing gold In this way Eileen shows how the revered eastern practice of Reiki discovered by Dr Mikao Usui a Japanese Buddhist in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other At the same time she shows how this simple profound method of healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully Others go away from the treatment or training feeling restored refreshed and renewed Reiki the universal Life Force Energy of God is not a new invention or modern day fad Its roots are planted deep in ancient history In the Old Testament Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes Its worldwide impact can no longer go unnoticed Reiki Healer Lawrence Ellyard,2004-07 This complete manual in conjunction with traditional training is an excellent guide to understanding Reiki and its spiritual practices
