

Summary

I'll be summarizing the short story from *Paul Mechanics* by Raymond Carver. The story depicts the issues surrounding divorce and the consequences that come with this action.

The author started by describing how the season changed where it's getting darker and at the point the snow is getting melted. A scene where a man is quickly tucking his garments into the box he carries around. The woman was relieved when she made her way to the bedroom realizing that he was stepping out but somehow upset that he even had the slightest idea of leaving. She cried after saying out loud "Son of a bitch! I am so glad you are leaving!" (Carver, n.d).

As he was done packing his clothes, he headed towards the kitchen doorway where he met the woman carrying the baby. He stretched to take the baby from her but she blatantly refused him from doing that. He tried again but this time she moved closer to the stove in the kitchen, at this point the baby was already crying. He successfully grabbed the baby away from her tight grip. The man put him under his arm but the woman couldn't let go completely as she held on to the baby's other arm and wrist tightly. The man held on to the baby and was not willing to let go. The story came to an end. "In this manner, the issue was decided." (Carver,n.d)

Though the story is interesting, I'm not comfortable with the fact that the baby had to go through that with the whole back and forth they exhibited. The baby was clearly helpless and I'm out here wondering what would have happened if he fell. The decision should be made without having to hurt anyone in the process.

The Durrells Richard Bradford, 2025-06-05 A variously tragic tale of escapism and assimilation Richard Bradford's *The Durrells* explores the truth behind the image The Durrells are probably the most celebrated literary family of the 20th century Gerald turned them into celebrities with his tripartite memoir beginning

with *My Family and Other Animals* 1956 which told of his experiences with his widowed mother Louisa and three siblings during their time in 1930s Corfu We know of the Durrells from their own writings and from the image of them created by TV film and biographical accounts of specific figures What we do not know is the truth Using previously unpublished material from the Jersey Archive Richard Bradford unravels the lives of the famous four children of the Corfu era Larry Gerry Margo and Lesli as they find themselves geographically and emotionally divided amongst a backdrop of imperial decline and unrest The children of moneyed colonialists they were already used to being treated with aghast fascination by the island's locals and by expatriate Britons as a disgrace to the homeland Yet their story goes beyond the Ionian Sea and The Durrells delves into the complex social and political circumstances in which the family lived with seemingly constant threats of war and endangerment to both themselves and their natural environment *Academy; a Weekly Review of Literature, Learning, Science and Art* ,1895 The Poetical gazette the official organ of the Poetry society and a review of poetical affairs nos 4 7 issued as supplements to the Academy v 79 Oct 15 Nov 5 Dec 3 and 31 1910 Publishers' circular and booksellers' record ,1878 *Sacred Waiting* David Timms,2009-09-01 In a world that waits for nothing Sacred Waiting helps readers learn to wait on God David Timms challenges believers to be attentive to God as were the faithful from Noah to David from Paul to John and all the saints in between He demonstrates that their best moments arose from God's timing not their own In the process he reveals deep transforming truths for those who want to go deeper into their relationship with God Grounded in the stories of Scripture and everyday illustrations Sacred Waiting explores a vital yet often neglected or misunderstood spiritual discipline A History of Preaching Otis Carl Edwards,2004 Accompanying CD ROM contains the full text of volume one and two Volume two contains primary source material on preaching drawn from the entire scope of the church's twenty centuries Each chapter in volume two is geared to its companion chapter in volume one's narrative history
