Summer Nights At The Moonlight Hotel English Edition:

Summer Nights at the Moonlight Hotel Jane Costello, 2016-03-24 Lauren wouldn't change a thing about The Moonlight Hotel. She loves its vintage glamour lakeside setting and above all its precious memories from back when her late dad ran the place. But handsome entrepreneur Joe is the new owner. And he has big plans. When Lauren comes face to face with Joe after signing up to dance classes in its gorgeous ballroom, she can't hide her hostility. She's not going to change her views. He's not going to alter his project. But could learning to salsa spark the chemistry they need to finally see eye to eye? An enemies-to-lovers forced proximity rom-com that will warm your heart and make you laugh out loud. As entertaining as *Strictly* but with a lot more romance. **KATIE FFORDE** Hilarious and romantic. Jane Costello's best book yet. **BELLA**

Howling to the Moonlight on a Hot Summer Night Christopher McKittrick, 2024-10-01 A comprehensive guide to the band with praise from Booklist saying Stray Cats fans and music lovers in general will appreciate this exhaustively researched document of the group's influential and lengthy career. While New Wave pop music was dominating the charts in the early 1980s, one band made up of a trio of throwback-loving musicians from the suburbs of Massapequa, Long Island: guitarist singer Brian Setzer, drummer Slim Jim Phantom, and bassist Lee Rocker returned rockabilly to the international pop charts as the Stray Cats, releasing such infectious Top 10 singles "Rock This Town," "Stray Cat Strut," and "She's Sexy 17." Over forty years and many classic studio and live albums later, the Stray Cats still epitomize the spirit of the founding fathers of rock and roll: a coolness that never goes out of style. **Howling to the Moonlight on a Hot Summer Night: The Story of the Stray Cats** tells the full story of the band's history and catalog as musicians. It not only celebrates the Cats as one of the most successful rock revival groups but follows their exploits as a throwback act in the years when MTV was still new, going on to enjoy long-lived popularity in rockabilly culture across the globe, from Massapequa to Memphis and beyond. **Nocturne** Hélène Valance, 2018-01-01 A beautifully illustrated look at the vogue for night landscapes amid the social, political, and technological changes of modern America. The turn of the 20th century witnessed a surge in the creation and popularity of nocturnes and night landscapes in American art. In this original and thought-provoking book, H. L. Valance investigates why artists and viewers of the era were so captivated by the night. **Nocturne** examines works by artists such as James McNeill Whistler, Childé Hassam, Winslow Homer, Frederic Remington, Edward Steichen, and Henry Ossawa Tanner through the lens of the scientific developments and social issues that dominated the period. Valance argues that the success of the genre is connected to the resonance between the night and the many forces that affected the era, including technological advances that expanded the realm of the visible, such as electric lighting and photography; Jim Crow-era race relations; America's closing frontier and imperialism abroad; and growing anxiety about identity and social values amid rapid urbanization. This absorbing study features 150 illustrations encompassing paintings, photographs, prints, scientific illustration, advertising, and popular media to explore the predilection for night imagery as a sign of the times. *New Peterson Magazine* Ann Sophia Stephens, Charles

a sinister tale of espionage and political conspiracy Despite the playful and imaginative nature of his fiction Le Queux was genuinely concerned and immensely paranoid about the possibility of war with Germany In addition to selling countless copies his work inspired a generation of secret service officers who would go on to form Britain s legendary MI5 Germany is our friend for the moment What may happen to morrow Alerted to a possible plot by German secret agents to invade Britain a young solicitor and his trusted allies attempt to disrupt these shadowy figures before it s too late While a nation wakes works eats and sleeps these anonymous heroes track down sources search for clues and place their lives on the line for the good of the many While the truth is unclear the stakes are not the fate of their people is in their hands Written only a few years before the outbreak of the First World War Spies of the Kaiser incorporates years of research and experience to weave a tale from the deepest fears of the nation With detailed maps secretive discussions and prescient descriptions of submarines and airplanes used for war Le Queux s novel seems pulled from headlines yet unwritten and tragically to come While not much is known about the author it is possible his claims of firsthand knowledge regarding the murky movements of spies and diplomats throughout Europe and Britain were true One thing however is certain his paranoia was far from unfounded With a beautifully designed cover and professionally typeset manuscript this edition of William Le Queux s Spies of the Kaiser is a classic espionage thriller reimagined for modern readers
