Ansley L. Quiros, 2018-09-28 For many the struggle over civil rights was not just about lunch counters waiting rooms or even access to the vote it was also about Christian theology Since both activists and segregationists ardently claimed that God was on their side racial issues were imbued with religious meanings from all sides Whether in the traditional sanctuaries of the major white Protestant denominations in the mass meetings in black churches or in Christian expressions of interracialism southerners resisted pursued and questioned racial change within various theological traditions God with Us examines the theological struggle over racial justice through the story of one southern town Americus Georgia where ordinary Americans sought and confronted racial change in the twentieth century Documenting the passion and virulence of these contestations this book offers insight into how midcentury battles over theology and race affected the rise of the Religious Right and indeed continue to resonate deeply in American life **Jimmy and Rosalynn Carter** E. Stanly Godbold, Jr., 2010-10-06

Covering their lives from childhood to the end of the Georgia governorship Jimmy and Rosalynn Carter is one of the few major biographies of an American president that pays significant attention to the First Lady So deeply were their lives and aspirations intertwined a close friend once remarked You can't really understand Jimmy Carter unless you know Rosalynn The story of one is the story of the other To recount their remarkable lives E Stanly Godbold Jr draws on academic and military records the governor's correspondence the recollections of the Carters themselves as well as original unpublished interviews with a wide variety of participants in the Carters political and personal lives The book reveals a man who was far more complex than the peanut farmer of popular myth a man who cited both Reinhold Niebuhr and Bob Dylan as early influences on his legal philosophy was heir to a sizable fortune and who with the help of Rosalynn built a lucrative agribusiness Nicknamed Hotshot by his father Carter was the first president born in a hospital rode a motorcycle before entering politics counted Tolstoy Dylan Thomas William Faulkner and James Agee among his favorite authors and claimed his wife Rosalynn as the most influential person in his life Volume I in this two volume biography details how the Carters rose to power managed their private and public lives governed Georgia and seized control of the national Democratic party The cast of colorful characters includes Miss Allie Smith Mr Earl and Miss Lillian brother Billy Rachel Clark Admiral Rickover George Wallace Lester Maddox Richard Nixon daughter Amy Charles Kirbo Hamilton Jordan Jody Powell and many more It is a sweeping Faulknerian tale of individuals who would change the image of the South in the national mind and the role of the South in the presidency Indeed Carter shocked the state of Georgia and the entire country by calling for an end to racial discrimination in 1971 thus launching his national political career Jimmy and Rosalynn Carter neither sanctifies nor vilifies the Carters but offers instead an even handed brilliantly researched and utterly absorbing account of two ordinary people whose lives together took them to the heights of power and public service in America Men of the Time J. Alter, 2021-09-21 Drawing on fresh archival material and extensive access to Carter and his family New York Times bestselling author Jonathan Alter tells the epic story of a man of faith and his improbable journey from barefoot boy in the vicious Jim Crow South to global icon We learn how Carter evolved from a timid child into an ambitious naval nuclear engineer and an indefatigable born again governor how as a president he failed politically amid the bad economy of the 1970s and the seizure of hostages in Iran but succeeded in engineering peace between Israel and Egypt amassing a historic environmental record moving the government from tokenism to diversity setting a new global standard for human rights and normalizing relations with China among dozens of other unheralded achievements After leaving office Carter revolutionized the postpresidency with the bold global accomplishments of the Carter center Cover *Catalogue of the Phi Kappa Psi Fraternity* Phi Kappa Psi, 1894 **State Higher Educational Institutions of Iowa** Charles Hubbard Judd, Charles William Eliot, J.
