Brand, Meet Story Heather Pemberton Levy, 2016-10-04 Think of the last great article you read or the last great speech you heard Chances are if you remember one key message you also remember one compelling story That's because the best content starts with a story When it comes to marketing the best business content starts with a story the audience cares about not the brand's message about what it

wants to sell them In Brand Meet Story Heather Pemberton Levy describes the Story Comes First method a practical approach that combines techniques from journalism and fiction writing to help brands tell stories that put the readers interests first Whereas most brand marketers create content to sell their product service or technology the Story Comes First method turns this approach on its head to create content with the human moments that truly engage an audience Filled with examples from Levy s experience creating content marketing programs trade books and hundreds of articles for a variety of B2B and B2C brands the book shows readers a step by step approach to create content designed to deliver business results Brand Meet Story explains the key ways to uncover what your audience cares about and how to turn brand messaging into stories that matter Levy inspires readers to develop a compelling voice that will carry the brand tone and values across all channels and helps them turn their ideas into engaging story driven content their audiences will read love and share

Fearless and Free Wendy Sachs,2017-02-07 In Fearless and Free author Wendy Sachs provides pithy invaluable guidance to women stymied in the workplace Women tend to be inherently cautious to the point of overthinking their every move This may help them stay safer than their male counterparts but it also keeps them stuck in the action first fake it til you make it ethos celebrated in the tech world shaking up the workforce today What if women embraced the startup spirit What if they had the confidence to take chances even if they knew they may fail first What if instead of agonizing over which step to take they leapt forward quickly These are the traits that helped Silicon Valley redefine our culture and not surprisingly these are the same lessons that can help all women succeed in all stages of their careers With lessons learned from a wide range of women who faced down fears roadblocks and failures to reinvent themselves Sachs s invaluable resource teaches women how to Boost their confidence Sell their story Capitalize on their skills and expand them Nurture their network Brand themselves without bragging Reposition themselves for reentering the workforce By taking the disruptive methods that helped Silicon Valley send shockwaves across industries Fearless and Free seeks to empower women in the workforce showing them how to lean into their strengths increase confidence and make their impact known loud and clear **The**
