AF Manual United States. Department of the Air Force, 1956 [A Guide to Federal Terms and Acronyms](#) Don Philpott, 2010-12-28 Navigating government documents is a task that requires considerable knowledge of specialized terms and acronyms This required knowledge nearly amounts to knowing a completely different language To those who are not fluent the task can be overwhelming as federal departments fill their documents with acronyms abbreviations and terms that

mean little or nothing to the outsider Would you be able to make sense of a document that described how the COTR reports to the CO regarding compliance with FAR GPR SARA and FASA This is a common procedure in government contracting Would you have any clue what was being referred to if you came across MIL STD 129P It is the new standard for Military Shipping Label Requirements The sheer number of such terms makes mastering them nearly impossible But now these terms and their definitions are within reach A Guide to Federal Terms and Acronyms presents a glossary of key definitions used by the Federal Government This reference guide is comprehensive covering the most common terms acronyms and abbreviations used by each major Federal Government agency And it is also accessible organized in a logical easy to use format Users can look up terms and acronyms by department or subject matter making this a quick reference for translating government language This is an essential tool for anyone who works with federal government information *Air Force Manual* United States.
