

“A TRIUMPHANT FILM”

PETER TRAVERS, ROLLING STONE

The poster features three actors. At the top, Benedict Cumberbatch as Stephen Hawking is shown from the chest up, wearing a dark suit and tie, with his head tilted back and a joyful expression. Below him, Jim Sturgis as Stephen Hawking in his younger years and Felicity Jones as Jane Hawking are shown in profile, facing each other. Jim is on the left, wearing a dark suit and glasses, and Felicity is on the right, wearing a light blue dress. The background is a dark, textured shape that resembles a map of the world or a complex scientific diagram.

The Theory Of Everything The Screenplay:

Theory of Everything Anthony McCarten, 2014-12-19 Based on Jane Hawking's best selling memoir *Travelling to Infinity: My Life with Stephen Hawking* Anthony McCarten's screen adaptation for the hit movie *The Theory of Everything* starring Eddie Redmayne and Felicity Jones is one of the most talked about and award worthy scripts of the film season In the film we follow Jane and Stephen Hawking from their first meeting to the first signs of Stephen's illness and their wedding through to the challenges of having to deal with disability and unexpected success and the strain this put on the loving couple's relationship The result is a feat of cinematic brilliance and screenwriting bravura from the author of several acclaimed novels

The Theory of Everything Anthony McCarten, 2013 **The Theatrical Professoriate** Emily Roxworthy, 2019-12-06 This book argues that today's professoriate has become increasingly theatrical largely as a result of neoliberal policies in higher education but also in response to an anti intellectual scrutiny that has become pervasive throughout the Western world *The Theatrical Professoriate: Contemporary Higher Education and Its Academic Dramas* examines how the Western professoriate increasingly finds itself enacting command performances that utilize scripting characterization surrogation and spectacle the hallmarks of theatricality toward neoliberal ends Roxworthy explores how the theatrical nature of today's professoriate and the resultant glut of performances about academia on stage and screen have contributed to a highly ambivalent public fascination with academia She further documents the theatrical turn witnessed in American higher education as academic institutions use performance to intervene in the diversity issues and disciplinary disparities fueled by neoliberalism By analyzing academic dramas and their audience reception alongside theoretical approaches the author reveals how contemporary academia drives the professoriate to perform in what seem like increasingly artificial ways Ideal for practitioners and students of education ethnic and science studies *The Theatrical Professoriate* deftly intervenes in Performance Studies still unsettled debates over the differential impact of live versus mediated performances **The**

Screenplay and Narrative Theory

George Varotsis, 2015-10-01 Screenplay and Narrative Theory draws attention to the notion that in order to comprehend complex narrative dynamics which are encountered in a great variety of narrative genres forms and formats a more comprehensive theory of narrative is required George Varotsis explains how a work of narrative functions synergistically and systemically as well as elucidates the heuristic problem solving mechanisms that are employed in various structural levels of thought processes which allow the coherent accumulative derivative we call a story to emerge The transition from an empirical to theoretical perspective is achieved by introducing characteristics of complex narrative systems a network of narrative components i.e. characters structure goals motivations theme plot and subplots narrative action etc which are arranged hierarchically over three fundamental levels of structure i.e. deep intermediate and surface structure that interact parallel to one another in non linear ways Varotsis tackles questions about how stories semantically emerge in the underlying dynamics that allow a work of narrative to function as a unified whole
