*Light a Candle in My Soul: Poems and Poetic Sketches* Kerry Wade, 2024-10-11 What is it that touches your soul warms your heart or enlightens your mind Do you dream and do you wonder What do you seek and what comes of your thoughts The Greeks sought according to Aeschylus to tame the savageness of man and make quiet the life of the world The Earth itself is a Being radiating outwards a consciousness that no matter the vineyard in which you toil each of us can reconnect with refresh and renew ourselves and perhaps even remake the world around us In an Age of Absurdity the soul's longing has an uncommon degree of strength in the beauty of expression Your thoughts and words change the world      **Messages from My Heart** Roberta Bailey, 2013-12-26 When Robertas prayers became profound messages from the heart of Jesus she felt His deep love and compassion compelling her to be His instrument She knows He wants you to feel this same overwhelming power of His presence that changed her life Some of His deepest expressions of love are revealed and poured out here to reach you Let these messages inspired from His heart absorb into your soul Hear Him explain how desperately He wants to let you know that you are His precious child He is inviting you to be amazed overwhelmed and drawn into His arms Roberta Bailey writes with the voice of one who knows well the intimacy of Gods Holy Spirit There are those among us who linger for long moments in the presence of God Most of us do not We live in a world of people searching for authenticity and intimacy Many are frustrated in the search This work holds the promise of connecting those who search with the One who is searching for them Dr Kerry B Robinson senior pastor of East Side Church of God Anderson IN      **Storm in my Soul** Loren K. Brown, 2012-08-08 Loren is in his early 30s living a successful and beautiful life The death of his lover Steve from AIDS hits like a storm This is the story of two entwined chapters of Loren's life the last 10 days of Steve's existence and Loren's year long quest to find closure while traveling around the world with nothing but a backpack Country by country discovery by discovery Loren makes the journey from what was once familiar and comfortable to face his fears let go of the past forgive and heal By the time he returns home from his pilgrimage Loren has gone through a tremendous life altering transformation Now filled with peace empathy and empowerment he moves beyond the constraints he had once set for himself What started as a tragic event leads Loren to a voyage of discovery that will result in the wisdom and trust to embrace every moment of life in its simplicity and greatness      **Feathers in My Soul** Graham Morgan, 2011-06-01 Description Feathers in my soul is both a fractured autobiography and a celebration of the world around us a tale of recovery and a description of the experience known as schizophrenia In a series of themed chapters Graham shows that life when seen to have a serious mental illness does not have to be a tragedy or the defining element of a person's life Graham writes of his life growing up in Norfolk Scotland Sussex Berkshire and Gloucestershire among other places he describes travels abroad with his wife He reflects on a near disastrous transatlantic yacht delivery and of his early days climbing on local crags and in Wales He talks of the music he loves and his delivery from sadness by the love of his wife he describes the snow and the Highlands deserts

and rainforests Graham's story is an attempt to show that we all have a world of different experiences which all define us in different ways and that although the label of schizophrenia and the world of mental illness has been a central part of his adult life there are a myriad different perspectives and experiences that make him and anyone else who experiences mental illness into the everyday citizens we meet every day on the streets people who are good and bad vibrant and sad calm and passionate People like everyone else each with a wonderful story to be told if only we listen closely enough About the Author Graham lives in Nairn in the Scottish Highlands He works with a group called HUG which speaks out on behalf of people with a mental illness Prior to this he worked in Lothian doing the same sort of job He has participated at a local national and international level in seeking to improve services for people with mental health problems and to find ways of challenging the stigma and discrimination many people still face He has been given a diagnosis of schizophrenia although he was originally diagnosed with a personality disorder he also flirts with alcohol abuse and depression and is presently detained under a community treatment order Graham grew up in many different parts of the UK as his father was in the Royal Air Force he was a boarder at public schools from the ages of nine to sixteen He was first seen to suffer from mental ill health in his early twenties and his treatment in an old asylum prompted him to help set up one of the first drop in centres for young people with a mental illness in the UK that was run and managed by its members In his childhood Graham discovered his love of climbing sailing and the natural world He stopped climbing due to his fear of heights but spent time in his early twenties as a yacht skipper in the Far East Graham lives alone now but lived with his wife for twenty four years and helped bring up his son He has lived in the Highlands for sixteen years and hopes to remain there indefinitely Graham has an MBE for services to mental health

**A Pastor's Story** Pastor Dave, 2016-01-23 What makes an ordinary man husband coach or restaurant owner suddenly wake up one morning and wonder about God David Stevens was just a regular guy making a living and providing for his wife and family and who loved to spend his weekends with friends having drinks dancing and sleeping in on Sunday morning Dave figured he had plenty of time left to get things right until the night he had the dream that made him realize that his life could end at any moment before he got things right with God Dave's search brought him to

the realization that his life was not about Dave but it was about God Dave discovered that God had not just a plan for him but a calling on Daves life to go and tell people about the saving grace of Jesus Christ Dave went from just an ordinary man to an extraordinary man of God who preaches and teaches about the salvation we can all receive through Jesus Christ Through the incredible teachings of Christ in the Bible and the testimonies of other godly men Daves life was transformed from a man centered on what the world said was acceptable to a man who desired on what God said was acceptable He met men and women whose lives had been changed because of their interaction with Christ through dreams through life experiences or through the revelation of Christ Pastor Dave as he is now known shares his journey of coming to Christ through his own experience of meeting the Savior As he was mentored by other men of God Pastor Dave began to see the urgent need to share the love mercy and grace of surrendering ones life to Christ and sharing that message with his friends and family and finally to others Minister Bonetta J Hutson
