The Ties That Bind Walter M. Miller,2010 **Performing Farmscapes** Susan C. Haedicke,2021-12-06 This book argues that the performance based work in the featured case studies contributes to the construction of food democracy where the public takes back decision making in shaping the food system It explores how contemporary artists translate scientific research about local and global agricultural issues into life stories that

inform and engage their audiences and in so doing transform passive food consumers into proactive food citizens The pairing of performing and farmscapes complex webs of farmlands and storylines enables artists to use embodied practices to encourage audiences to imagine a just and sustainable agri food system and to collaborate on making it a reality The book arranges the case studies on a trajectory that moves from projects that foreground knowledge acquisition to ones that emphasize social engagement by creating conversations and coalitions between farming and nonfarming communities to a final one that pairs protest art and political activism to achieve legally binding changes in the agricultural landscape

Bible & Treaty Keith Newman, 2014-06-01 Bible Treaty Missionaries among the M ori is a complex and colourful adventure of faith bravery perseverance and betrayal that seeks to recover lost connections in the story of modern New Zealand It brings a fresh perspective to the missionary story from the lead up to Samuel Marsden s first sermon on New Zealand soil and the intervening struggle for survival and understanding to the dramatic events that unfolded around the Treaty of Waitangi and the disillusionment that led to the Land Wars in the 1860s While some missionaries clearly failed to live up to their high calling the majority committed their lives to M ori and were instrumental in spreading Christianity brokering peace between warring tribes and promoting literacy resulting in a M ori language edition of the Bible This highly readable account from the author of *Ratana Revisited An Unfinished Legacy* 2006 and *Ratana The Prophet* 2009 shines a new light on the ever evolving business of New Zealand s early history **China Engages Latin America** R. Evan
