The Tip Of His Tongue Genevieves Story S English Edition:

Becoming Genevieve: An Extraordinary True Story of Believing in Magic Genevieve Davis, What if I told you I could do magic real magic Would you believe me It was 2010 and I had wasted my life Stuck in a dead end job divorced and in debt For me every day was much like the last But things were about to change Dramatically So how did a lonely overweight depressed 40 something woman go from poverty debt and despair to a life of fulfilment happiness wealth and spiritual awakening Did I rob a bank win the lottery or marry a millionaire Did I see doctors therapists and counsellors Did I join a cult No none of these things I used Magic In this book I share my true life story of exactly how I went from rags to riches from depression to awakening and created a truly exceptional life for myself Over the last few years I ve had many adventures and fantastic experiences I have also life changing insights into magic manifesting and the whole business of being alive These insights had such a profound effect on me they ve changed my whole outlook on the world I didn t know this sort of peace of mind was possible I didn t know life could get this good And until now I told no one how I did it Writing under the pen name Genevieve Davis I chose to remain completely anonymous hiding my secret identity even from my own family Finally I have decided to go public with this bitingly honest account of my discovery mastery and belief in what I like to call Magic By revealing my true identity I can finally prove to you that everything I said in my early books about manifesting an exceptional life was true All of it And then I want to help you see what I have seen I want to help you understand what I now understand I want you create a life just as exceptional For lovers of self help memoirs and for those who like to believe that life should be magnificent Even sceptics may read this book and start to wonder Is Magic actually real Arcanosphere Rocky L.
