Following Christ Robert B. Callahan, 2012-06-11 The latter half of Chapter 4 of Paul's letter to the Ephesians is the watershed of this magnificent document that is often referred to as the holy of holies Paul was never hesitant to declare God's truth as he proclaimed it to those professing faith in the Lord

Jesus Christ Therefore after praising The Triune God for the love wisdom and blessings bestowed upon us during the first three and one half chapters Paul does an about face and enjoins the believers with these strong words saying This I testify in the Lord that ye henceforth walk not as other Gentiles walk in the vanity futility of their mind He is telling the hearers that once they are Christ s they are to walk to a different drummer the Master Himself Paul completes the watershed transition by reminding professing Christians But ye have not so learned Christ It is with these simple single syllable words that he opens new horizons for the members of Christ s body and paves the way for enunciating the duties and responsibilities they are to learn and to do when Following Christ This learning and practicing is not easy but it is joyful rewarding and worthwhile That is why Paul before embarking on Christ s learning pathway tells the followers in the way to put off the old man be renewed in the spirit of your mind And put on the new man which after God is created in righteousness and true holiness May we heed God s truth as revealed to Paul by the Holy Spirit These blessings are comforting strengthening and manifold when committing ourselves to Walking With Jesus *The Spirit of Truth* Haitham A. Issak, 2023-09-12 The fourth century was different than the previous centuries due to two big heresies The first one was the heresy of Arius who denied the divinity of the Son This heresy led to the Council of Nicaea in 325 in which the church fathers affirmed the divinity of the Son of one substance with the Father The second heresy was that of the Tropicists who denied the divinity of the Holy Spirit and said that the Holy Spirit was a creature or an angel At that time Athanasius was one of the most important leaders in the life of the church He wrote against the Tropicists as he addressed them in his letters to Serapion These letters are the major work of Athanasius concerning the Holy Spirit The Spirit of Truth explains the way that Athanasius dealt with the heresy and elucidates the pneumatology of Athanasius s use of the Gospel of John and 1 John It also discusses Athanasius s understanding of tradition Scripture and hermeneutical principles in his defense of the Godhead particularly the divinity of the Holy Spirit For Athanasius the Holy Spirit is eternal divine uncreated and one with the Father and the Son Friends Intelligencer ,1866 **The Truth Seeker** ,1893
