Torchwood Declassified Rebecca Williams,2013-09-17

Torchwood started its life on television as a spin off from Doctor Who bringing Captain Jack to join new colleagues in a

television series that quickly established itself as fresh and watchable television. Its fourth series subtitled *Miracle Day* continued its move from the niche channel of BBC3 to metamorphose into an international production between the BBC and the US network Starz. *Torchwood* has continued to entertain, provoke and attract large audiences and an expanding fandom. This is the first critical celebration of *Torchwood* across its four series, considering issues of representation, the fandom that surrounds the show and its complex institutional contexts. Focusing in particular on how the meanings and understandings of cult television have shifted and become subject to technological, industry and marketing changes in recent years, *Torchwood Declassified* explores topics including the show's aesthetics and branding, its use of tropes from the horror genre, its vast tie-in merchandise status as a spin-off, the nature of a celebrity that is both cult and mainstream as well as the use of sound and music and of cult writers, and *Torchwood*'s connection to place and location. The book will appeal to fans of the series, researchers and scholars, and anyone interested in ongoing questions over what cult television is, what it means, and why it continues to be of importance.

Torchwood: SkyPoint Phil Ford, 2010-07-31. If you're going to be anyone in Cardiff, you're going to be at SkyPoint. SkyPoint is the latest high-rise addition to the ever-developing Cardiff skyline. It's the most high-tech, avant-garde apartment block in the city. And it's where Rhys Williams is hoping to find a new home for himself and Gwen. Gwen's more concerned by the money behind the tower block, Besnik Lucca, a name she knows from her days in uniform. When *Torchwood* discover that residents have been going missing from the tower block, one of the team gets her dream assignment. Soon, SkyPoint's latest newly married tenants are moving in. And Toshiko Sato finally gets to make a home with Owen Harper. Then something comes out of the wall. Featuring Captain Jack Harkness as played by John Barrowman, with Gwen Cooper, Owen Harper, Toshiko Sato and Ianto Jones as played by Eve Myles, Burn Gorman, Naoki Mori and Gareth David Lloyd in the hit science-fiction series created by Russell T Davies for BBC Television. *Doctor Who-Guide 2/3*. Compiled from Wikipedia pages and published by Dr Googelberg, 2012-08-07. Almost everything about the good doctor, his companions and travels, his enemies and friends. Additionally, the actors etc. Part three contains all summaries of all TV episodes. Compiled from Wikipedia pages and published by Dr Googelberg.

No one stays there long, and no one can explain why something's not quite right there. Now the Council is renovating the district, and a new company is overseeing the work. There will be street parties and events to show off the newly gentrified neighbourhood, clowns and face painters for the kids, magicians for the adults, the street entertainers of Cardiff out in force. None of this is *Torchwood*'s problem. Until Toshiko recognises the sponsor of the street parties, Bilis Manger. Now there is something for *Torchwood* to investigate. But Captain Jack Harkness has never been able to get into the area; it makes him physically ill to go near it. Without Jack's help, *Torchwood* must face the
