

The background of the entire cover is a deep space image. A large, vibrant red nebula, possibly the Helix or Ring nebula, dominates the lower half of the frame. It has a bright, glowing center and intricate, swirling patterns of red gas. Scattered throughout the dark space are numerous stars of varying brightness. In the upper right, there's a smaller, more distant-looking nebula with hints of blue and purple. The overall effect is one of vast cosmic scale and dynamic energy.
