The Viking Wants Forever English Edition:

The Warlord Wants Forever Kresley Cole, 2011-11-22 Book 1 in Kresley Cole's internationally bestselling Immortals After Dark series Nikolai Wroth was once a ruthless human warlord in the 1700s. Now a general in the rebel vampire army, he needs to find his bride. As a turned human, his heart doesn't beat, making him significantly weaker than fully blooded vampires. So when his heart beats for Myst, the Coveted, a mad fey mythological creature held captive by his army, he decides she is the only woman who can truly make him feel alive. After eluding him for five years, Nikolai steals the jewel which commands her, giving him absolute power over her. He plans to use it to agonize her with the same unending lust she subjected him to for half a decade. But when Nikolai realizes he wants more from her, he frees her. The question is: will Myst, the Coveted, return?

The Viking Wants Forever Koko Brown, 2015-06-24 A Love Frozen In Time Reese Johnson yearns for a life other than the world of drudgery she's settled for as the manager of Gotham City Comics. What's that they say? Be careful what you wish for. Well, that's a motto Reese should have tattooed across her forehead. Because Loki, the Norse god of mischief, has just the remedy for the boring life of this woman who denounces his existence. His recipe for disaster: Take a 30-year-old woman and send her back in time as a pawn for revenge. Couple her with Eirik Sigurdsson, a Viking Warlord too arrogant and baggage-laden to be of any use for anything but battle, and bed Mix, thoroughly folding in a heavy dose of pride, a tyrannical king, and a sympathetic goddess. Bake at high until a white-hot love is unleashed, and then forever frozen in time. **NAGO: Her**

Forever Wolf Theodora Taylor, 2017-06-25 Going going SOLD to my ex-boyfriend. I'm exasperated. I'm furious. But most of all, I'm scared. He'll get what he wants and destroy me all over again. Are you ready to give love a second chance? I'm still not exactly sure how a nobody like me managed to catch the eye of a billionaire alpha prince. But Nago Nightwolf was the sweetest, gentlest, most wonderful boyfriend a poor she-wolf from a mange-state pack could ever ask for until I needed him most. Then he disappeared from my life without so much as a word. I thought it was true love. But all he truly wanted was to get in my pants before ghosting out. Can you blame me for never wanting to fall that hard again? And yeah, participating in a Chivaree, a barbaric ritual during which I give my hand in marriage and a baby to whoever catches me first, isn't the most civilized way to declare I'm over the one who ran away. But hey, it's not like I believe in true love anymore, so why not help secure the future of my state pack with the money a Chivaree auction will bring in? But then Nago Nightwolf shows up on the eve of my Chivaree, determined to win me. No matter what anyone else says, including me. **READER WARNING:** This novel is so freaking romantic. **DO NOT** one-click this second-chance romance unless you're ready to have your heart hardcore warmed.
