The Wedding Officer English Edition:

The Wedding Officer Anthony Capella, 2010-12 Twenty two year old James Gould arrives in Occupied Naples in 1943 where his duties include dissuading Allied soldiers from marrying their beautiful Italian girlfriends and his diet includes little more than spam fritters and warmed up rations The girls of Naples however soon arrange for a beautiful young country girl to join his staff as a cook Under the twin influences of Italian food and Italian passion James has only just realised that his heart is more important than his orders when an eruption of Vesuvius sets in motion a series of epic events that will change their lives for ever

The Wedding Officer Anthony Capella, 2007-05-01 In the sumptuous tradition of *Chocolat* and *Captain Corelli's Mandolin* and already optioned for a major motion picture comes a magical tale of romantic passion culinary delight and Italy Captain James Gould arrives in wartime Naples assigned to discourage marriages between British soldiers and their gorgeous Italian girlfriends But the innocent young officer is soon distracted by an intoxicating young widow who knows her way around a kitchen Livia Pertini is creating feasts that stun the senses with their succulence ruby colored San Marzano tomatoes glistening anchovies and delectable new potatoes encrusted with the black volcanic earth of Campania and James is about to learn that his heart may rank higher than his orders For romance can be born of the sweet and spicy passions of food and love and time spent in the kitchen can be as joyful and exciting as the banquet of life itself

Voltaire Almighty Roger Pearson,2008-12-07

Voltaire Almighty provides a lively look at the life and thought of one of the major forces behind European Enlightenment A rebel from start to finish 1694 1778 Voltaire was an ailing and unwanted bastard child who refused to die and when he did consent to expire some eighty four years later he secured a Christian burial despite a bishop s ban During much of his life Voltaire was the toast of society for his plays and verse but his barbed wit and commitment to human reason got him into trouble Jailed twice and eventually banished by the king he was an outspoken critic of religious intolerance and persecution His personal life was as colorful as his intellectual life Of independent means and mind Voltaire never married but he had long term affairs with two women Emilie who died after giving birth to the child of another lover and his niece Marie Louise with whom he spent the last twenty five years of his life The consummate outsider a dissenter who craved acceptance while flamboyantly disdaining it author of countless stories poems books plays treatises and tracts as well as some twenty thousand letters to his friends Voltaire lived a long active life that makes for engaging and entertaining reading
