The Whole Sky Three Stories English Edition:

Selected Stories Katherine Mansfield, 2002 I was jealous of her writing The only writing I have ever been jealous of Virginia Woolf Virginia Woolf was not the only writer to admire Mansfield's work Thomas Hardy D H Lawrence and Elizabeth Bowen all praised her stories and her early death at the age of thirty four cut short one of the finest short story writers in the English language This selection covers the full range of Mansfield's fiction from her early satirical stories to the subtly nuanced comedy of *The Daughters of the Late Colonel* and the macabre and ominous *A Married Man's Story* The stories that pay what Mansfield calls a debt of love to New Zealand are as sharply etched as the European stories and she recreates her childhood world with mordant insight Disruption is a constant theme whether the tone is comic tragic nostalgic or domestic echoing Mansfield's disrupted life and the fractured expressions of Modernism This new edition increases the selection from 27 to 33 stories and prints them in the order in which they first appeared in the definitive texts established by Anthony Alpers

Basil: A Story of Modern Life: From the prolific English writer, best known for *The Woman in White*, *Armadale*, *The Moonstone*, *The Dead Secret*, *Man and Wife*, *Poor Miss Finch*, *The Black Robe*, *The Law and The Lady*... Wilkie Collins, 2015-05-21 Basil son of a father who values the family pedigree and who would not let him marry below his station falls in love at first sight with a girl he sees on a bus He follows her and discovers she is Margaret Sherwin only daughter of a linen draper He persuades her father to let him marry her secretly He agrees on the condition that as his daughter is only seventeen they live apart for the first year At first the secret works but then the mysterious Mannion whose emotions cannot be read in his face returns from abroad Stories Katherine Mansfield, 2009-01-16 Although Katherine Mansfield was closely associated with D H Lawrence and something of a rival of Virginia Woolf her stories suggest someone writing in a different era and in a vastly different English Her language is as transparent as clean glass yet hovers on the edge of poetry Her characters are passionate men and women swaddled in English reserve and sometimes briefly breaking through And her genius is to pinpoint those unacknowledged and almost imperceptible moments in which those people's relationships with one another and themselves change forever This collection includes such masterpieces as *Prelude At the Bay Bliss The Man Without a Temperament and The Garden Party* and has a new introduction by Jeffrey Meyers *Business Law for Business Men, State of California* Anthony Jennings Bledsoe, 1912 **The Garden Party and Other Stories**

Katherine Mansfield, 1997 Twenty one stories depict the dangers and complexities of modern life and the conflict between men and women The Collected Stories of Katherine Mansfield Katherine Mansfield, 2006 This collection allows the reader to become familiar with the complete range of Mansfield's work from the early satirical stories set in Bavaria through the luminous recollections of her childhood in New Zealand and through the mature deeply felt stories of her last years

Building Age, 1910 **Short Stories** Katherine Mansfield, 2024 Katherine Mansfield is one of the greatest names in world literature in the genre of short stories Early influenced by the impressionism of Russian writer Anton Chekhov

Mansfield developed her own modernist narrative style that has had a significant influence on all subsequent short story art. Her stories are driven by psychological conflicts depicted with a subtlety and a poetic skewness that give them a life beyond the conventions of language. This book collects no fewer than 75 of Mansfield's short stories. **KATHERINE MANSFIELD** actually Kathleen Mansfield Beauchamp later Murry was born in 1888 in Wellington New Zealand and died in 1923 as a result of her pulmonary tuberculosis at a hospital near Fontainebleau France. Mansfield left her homeland at the age of 19 and moved to Europe. In London she established herself as a writer and became friends with Virginia Woolf and D H Lawrence. Rumour has it that the latter infected her with the lung disease that became her demise at the young age of 35.
