The Witness Of The Stars:

The Witness of the Stars Ethelbert William Bullinger, 2020-09-28 Some years ago it was my privilege to enjoy the acquaintance of Miss Frances Rolleston of Keswick and to carry on a correspondence with her with respect to her work Mazzaroth or the Constellations She was the first to create an interest in this important subject Since then Dr Seiss of Philadelphia has endeavoured to popularize her work on the other side of the Atlantic and brief references have been made to the subject in such books as Moses and Geology by Dr Kinns and in Primeval Man but it was felt for many reasons that it was desirable to make another effort to set forth in a more complete form the witness of the stars to prophetic truth so necessary in these last days To the late Miss Rolleston however belongs the honour of collecting a mass of information bearing on this subject but published as it was chiefly in the form of notes unarranged and unindexed it was suited only for but was most valuable to the student She it was who performed the drudgery of collecting the facts presented by Albumazar the Arab astronomer to the Caliphs of Grenada 850 a d and the Tables drawn up by Ulugh Beigh the Tartar prince and astronomer about 1650 a d who gives the Arabian Astronomy as it had come down from the earliest times Modern astronomers have preserved and still have in common use the ancient names of over a hundred of the principal stars which have been handed down but now these names are used merely as a convenience and without any reference to their significance This work is an attempt to popularize this ancient information and to use it in the interests of truth For the ancient astronomical facts and the names with their signification I am from the very nature of the case indebted of course to all who have preserved collected and handed them down but for their interpretation I am alone responsible It is for the readers to judge how far my conclusions are borne out by the evidence and how far the foundation of our hopes of coming glory are strengthened by the prophecies which have been written in the stars of heaven as well as in the Scriptures of truth

The Witness of the Stars Ethelbert William Bullinger, 1911 *The Witness of the Stars* E. W. Bullinger, 2019-09-23 About The Witness Of The Stars by E W Bullinger The book entitled The Witness Of The Stars by Dr E W Bullinger contains from a Western Gentile branching of the Judeo Christian perspective in principle and in fact one of the earliest quite extensive for its 1893 original publication and now clearly a most faithful summary of the received precepts and traditions concerning the celestial witness and a credible testimony to the glorious Gospel of the Christ as it was known in Ancient times These earliest beliefs and primordial faith and expectations were recorded and preserved from the mythological Inner African Genesis of Humanity documented in the Denderah of the Egypts to latter day Greek reinterpreted mythologies all without doubt traced to Messianic hopes and aspirations of native and the primitive peoples of the world There are many prophecies in the Bible whose proper interpretation depend on The Witness of the Stars in order to accurately be known **The Witness of the Stars** Ethelbert W. Bullinger, 1996-09 A consistent best seller redesigned for contemporary readers The Psalmist says The heavens declare the glory of God and the firmament showeth His handiwork Building upon ancient astronomical sources and

modern scientific data E W Bullinger shows how the constellations witness to the accuracy of biblical prophetic truths Numerous celestial charts and diagrams are provided to lend vivid support to his conclusions Includes numerous illustrations of the stars Combines scientific and historical data to support the Scriptures **Witness of the Stars** Ethelbert W. Bullinger, 1987-04-30 The Witness of the Stars by E W Bullinger is one of the best works available on Biblical astronomy Bullinger is very concise in his Biblical interpretations of constellations and star names His book is very informative as to where the constellation pictures came from a masterpiece that brings ancient light to a new generation In addition to teaching the constellations Bullinger s book gives insights that build faith in God The fact that most of the stars ancient names can be found and were used in the Bible to convey messages in one word adds even more credence to the truth of God s Word and that fact that God is still in control The witness of the stars as explained in this book may well be a fulfillment of that passage in Romans 16 where Paul states that God has revealed the gospel to all nations For centuries men have looked to the stars for navigation and signs for successful farming By showing the Biblical symbolism of the constellations Bullinger a respected Bible scholar shows how the stars are also God s blackboard in the sky Readers who desire untouched evidence of God will find it in this historical account in the stars from ancient civilizations on the message God sent back then to us He telleth the number of the stars he calleth them all by their names Psalms 147 4 The stars reveal God s glory His power and His truth The Witness of the Stars E. Bullinger, 2018-08-28 The Witness of the Stars stands as one of the best explanations of the constellations in the context of Biblical wisdom This edition includes all of E W Bullinger s original charts and illustrations of the heavens above To compose this book E W Bullinger used his Biblical scholarship alongside research of the origins of the astronomical constellations He demonstrates through a close reading of the Old and New Testaments how each of the star signs relates to the Bible s stories Gradually it is revealed how God makes himself known to us through the Bible s astronomy The symbolism of the star signs are shown as important in the Bible Their presence in verse relates not simply to their appearances such as Libra s scales or Aries as a ram but also the way in which Biblical figures behave after looking at the heavens for guidance The Book of Job is highlighted by Bullinger for being significantly influenced by the stars

Patterson,2024-05-10 Are there credible reasons to believe many of the constellation and star names were given by inspiration of God God s Signature in the Stars explores these ancient star names and their meanings to reveal the answer The Bible states that God named the stars He who brings out the starry host one by one and calls forth each of them by name Isa 40 26 These starry hosts appear in the night sky as God s character actors performing their roles on his celestial stage God is the creator writer and director of this heavenly drama and cosmic dance By day and by night his starry hosts are flickering above the footlights in God s theater in the sky **The Battle of The Sexes: It's Been Downhill Since The Garden** H.R. Boaz,2021-05-08 The Battle of the Sexes explores how the Word of God YHWH both the Old Testament and the New Testament has been twisted to support a narrative that is not in the Scriptures Traditional translations and teachings of the Bible have either presumed or assumed that men are given power and dominion over women But nowhere in the Bible is this statement made not even in Genesis Bereishis 3 16 And your husband will rule over you which is not spoken as an imperative but rather as a prophecy The original Hebrew language of the first five books of Moses also known as the Torah Old Testament tells a very different story of the primal couple A story that is contrary to

what is often taught in all religions that use the Word of YHWH as their foundation namely Judaism Christianity and Islam With an abbreviated overview of human history as told from YHWH s point of view we discover a connection of how all cultures have come to share similar myths legends and stories with the Torah And how these ancient archetypes of good and evil have been misused to support a psychological and socio political advantage of men over women Likewise a brief foray into the unique Hebrew language the ancient language in which YHWH created our world and dictated the Torah to Moses provides proof that the Word of God is indeed communication from another dimension Like a massive encrypted message the Torah includes multiple levels of God given fences that protect the Word of God from man s distorted perspective The Hebrew language itself provides the most significant fence Like no other language each Hebrew word defines itself by the letters that make up the word This is only one feature of the holy text that assures that the instructions of YHWH remain intact regardless of man s interpretations The Battle of the Sexes is an examination from a fresh viewpoint into the issues that arise between the genders which stem from the original disobedience of God s one instruction by the primal couple in the Garden of Eden Gan Eden We see a more complete perspective of who did what in the initial defiance and how we continue to struggle in the female male relationship with those very same issues first raised in Gan Eden Moreover with clarity the Hebrew language reveals a much greater significance of the female to the human experience than is typically taught in any religion Exposed in her Hebrew name which is not usually translated properly is her irrefutable role in God s plan of salvation for the human race God did not make women subservient to men and YHWH did not give men or women dominion over anything but the animals and the earth to utilize as God intends Humanity is to work together not to manipulate or fight to assume power over one another Nowhere is this idea more consequential than in the marriage relationship Being the preeminent human relationship YHWH presents marriage as the foundation for all other human relationships from Bereishis the beginning creation of our world and the human creature Undergirding the arrogant impudent presumption that men are to rule over women is the equally destructive fallacy that God is masculine The Battle of the Sexes explores how from the initial verses and chapters of the first book of Torah the book of Genesis we begin to understand how as the Jewish Sages say with the change of one letter the world is destroyed With the misinterpretation and misunderstanding of one Hebrew word adam our modern grasp of the essence of YHWH and the female male relationship as described in Torah has been distorted and all but destroyed The Battle of the Sexes is sure to not only answer but raise many questions regarding the female male relationship as well as humanities relationship with God *Mashiah Versus Anti-Mashiah* Thomas H. Perdue, 2013-01-18 Mashiah versus Anti Mashiah is an overview of the battle over four different time Measurements between Christ and Satan It chronicles the pathway of the line of Christ And delves into creation through the flood From Creation to the giving and acceptance of the Mosaic Law at Sinai in 1438 BCE Pagan Apostasy in great detail and the New Age Movement
