The Thread Of A Thousand Miles English Edition

Sasha Su-Ling Welland

The Thread Of A Thousand Miles English Edition:

A Thousand Miles of Dreams Sasha Su-Ling Welland, 2007-09-05 *A Thousand Miles of Dreams* is an evocative and intimate biography of two Chinese sisters who took very different paths in their quests to be independent women. Ling Shuhao arrived in Cleveland in 1925 to study medicine in the middle of a U.S. crackdown on Chinese immigrant communities, and her effort to assimilate began. She became an American named Amy, while her sister Ling Shuhua burst onto the Beijing literary scene as a writer of short fiction. Shuhua's tumultuous affair with Virginia Woolf's nephew during his years in China eventually drew her into the orbit of the Bloomsbury group. The sisters were Chinese modern girls who sought to forge their own way in an era of social revolution that unsettled relations between men and women and among nations. Daughters of an imperial scholar official and a concubine, they followed trajectories unimaginable to their parents' generation. Biographer Sasha Su-Ling Welland stumbled across their remarkable stories while recording her grandmother's oral history. She discovered the secret Amy had jealously hidden from family in the United States: her sister's fame as a Chinese woman writer, as well as intriguing discrepancies between the sisters' versions of the past. Shaped by the social history of their day, the journeys of these extraordinary women spanned the twentieth century and three continents in a saga of East-West cultural exchange and personal struggle. Alice of Old Vincennes Maurice Thompson, 2019-12-04 In *Alice of Old Vincennes* Maurice Thompson weaves an engaging historical narrative set against the backdrop of the American frontier during the late 18th century. The novel intricately blends romance and adventure, exploring themes of bravery, loyalty, and the complexities of colonial life. Thompson's immersive literary style is marked by vivid descriptions and a lyrical approach to dialogue, drawing readers into the rich tapestry of historical events and local lore, which are meticulously researched yet artistically rendered to evoke a compelling sense of place and time. Maurice Thompson, an influential American writer and poet, had a deep fascination with the frontier experience, fueled by his own upbringing in a post-Civil War rural Indiana setting. His encounters with the stories of pioneers and Native Americans, alongside his background in classical literature, inform the nuanced characterizations and historical authenticity found in this novel. Thompson's dedication to capturing the spirit of adventure and the vicissitudes of human nature is evident as he deftly illustrates the dualities of optimism and peril in the lives of his characters. I highly recommend *Alice of Old Vincennes* to readers who appreciate richly woven historical tales infused with romance and brave undertakings. Thompson's work is not only a window into a pivotal moment in American history but also a reflection on timeless human values, making it a captivating read for anyone interested in literature that evokes both feeling

and thought In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read *The Textile American* ,1906 *The Dial* ,1906 **Bradshaw's continental [afterw.] monthly continental railway, steam navigation & conveyance guide.**
