The Trinity Untangled Making Sense Of A Sensible Doctrine:

The Trinity Untangled Kenneth N. Myers, 2014-10-08 One of the central doctrines of Christianity is also one of the most confusing what G K Chesterton called a tangled Trinity How can there really be one God if the Father Son and Holy Spirit are truly divine Because this doctrine is often considered too difficult to contemplate it becomes the Achilles heel of Christian theology and a target for false religions to attack In *The Trinity Untangled* Kenneth Myers offers a sensible biblical and historic understanding of the Trinity Eye opening engaging and easy to read this book replaces confusion with clarity engaging the reader s mind while drawing the heart to a deeper worship of the Lord **The Christian Century** ,1938

Making Sense of the Trinity Millard J. Erickson, 2000-05 This user friendly guide by a noted biblical scholar explores three crucial questions that often pose difficulty for those seeking to understand the doctrine of the Trinity Two Views on the Doctrine of the Trinity Stephen R. Holmes, Paul D. Molnar, Thomas H. McCall, Paul Fiddes, 2014-09-02 Christians have always believed in the triune God but they haven t always understood or used the doctrine of the Trinity consistently In order to form a coherent view of trinitarian theology it s important for Christians to have a working knowledge of the two legitimate models for explaining this doctrine Classical presenting a traditional view of the Trinity represented by the Baptist theologian Stephen R Holmes and the Roman Catholic theologian Paul D Molnar Relational presenting the promise and potential hazards of a relational doctrine represented by the evangelical theologian Thomas H McCall and the Baptist philosopher Paul S Fiddes In this volume of the Counterpoints series leading contributors establish their models and approaches to the doctrine of the Trinity or the relationship between the threeness and oneness of the divine life Each expert highlights the strengths of his view in order to argue how it best reflects the orthodox perspective In order to facilitate a genuine debate and to make sure that the key issues are revealed each contributor addresses the same questions regarding their trinitarian methodology doctrine and its implications *A Brief Declaration and Vindication of the Doctrine of the Trinity* John Owen, 1798 *A Brief Declaration and Vindication of the Doctrine of the Trinity: as also of the Person and Satisfaction of Christ, etc* John OWEN (D.D.), 1669 The Christian Layman Benjamin Parsons (of Pensacola.), 1840

Understanding the Doctrine of the Trinity John Weekes, 2001-04-29 In writing this book I was mindful of the many areas of conflict that exist between Christian and Christian Christian and Jew Christian and Jehovah Witness Members of The Church of Latter Day Saints and others The purpose was to examine critically some of the main areas of conflict and measure them against what the bible has to say concerning the Godhead Father Son and Holy Spirit and to arrive at a reasonable honest and dispassionate conclusion One very clear and positive way was to show that Jesus that great and unusual man of history was indeed a man from heaven and is in fact God incarnate Even those who have not accepted Jesus as God or equal with God must admit that he was like no other He was born in a lowly stable and died a convicted felon Yet the world in short order turned to him Even the mighty Roman Empire which initially haunted and crucified hanged and hounded Christians

eventually turned to Him and acknowledged Him The evidence then is that Jesus is someone special The Jewish ruler Nichodemus acknowledged he was from God It follows therefore that if Jesus was from God then it is reasonable to accept that he was a person of truth and integrity Yet Jesus said he was God God seems to have been well pleased with Jesus Is it not reasonable therefore to accept Jesus at His word Commonsense and logic answers a resounding Yes *A Brief Declaration and Vindication of The Doctrine of the Trinity* John Owen,1798 **A Vindication of the Doctrine of the Holy and Ever Blessed Trinity, and the Incarnation of the Son of God** William Sherlock,1690 The Trinity Unveiled Cass Bernard,2021-08-03 Most Churches teach that God Jesus and the Holy Spirit are equal beings and somehow the same God They themselves admit It is a mystery beyond our comprehension Still however they want us as followers to accept this belief with faith despite the fact they cannot explain it Because of this and the lack of support from the scriptures do we not have every right to question it Do the scriptures show there is a three in one God Jesus said at John 6 38 NIV bolding added for emphasis For I have come down from heaven not to do my will but to do the will of him who sent me This scripture describes two wills If there are two wills then there must be two beings If one sends the other then one is evidently in charge which means they cannot be the same or equal Many other scriptures concur such as 1 Corinthians 11 3 NIV that reads the head of Christ is God The book highlights the scriptures used for support of this doctrine and includes the contexts that surround those same verses to show that the Bible does not teach a triune type of God anywhere This book offers over one hundred scriptures that combine to prove the falseness of the teaching of the Trinity Besides more than enough scriptural evidence the book also brings into focus how other Bible versions render those same Trinity scriptures and dives into the history of this doctrine When these things are all exposed the Trinity fails to deliver as truth **The Doctrine of the Trinity** Anthony F. Buzzard,1998 *A Holy Mystery* Chris Eyre,2019-03-27 A pastor says If you think you understand the trinity you ve probably fallen into heresy An expert in biblical studies says The trinity is one of the best ways ever invented to say We don t have a clue Many people say the trinity is not found in the Bible so what is it doing as a doctrine This lively and challenging book asks you to think about the trinity what it means how it came to be and what value it might have in Christian conversation today If you don t want to have your thinking challenged or you d rather just go on saying I believe in the trinity without knowing what you re saying then definitely stay away from this book To the rest of you Enjoy *The Doctrine of the Trinity; a Reasonable and Necessary Condition of Salvation* ,1701 *The Doctrine of the Trinity Apologetically Considered* John Richardson Illingworth,1907 **The Catholic Doctrine of a Trinity** William Jones,1818 A Brief Declaration and Vindication of the Doctrine of the Trinity John Owen,2017-10-22 A highly focused work that defends the traditional view of the Trinity The main point of the work is to defend the traditional view against the heresy of Socinianism which asserts that Christ did not pre exist the incarnate state Not only does Owen defend the traditional view but he sternly calls for faith in it and that the view of the Trinity held by the church is key to the satisfaction of sins that Christ performed at the cross All

aspects of the Christian faith rely on this theology and is very important to all people in their personal walks with the living God THE DOCTRINE OF THE TRINITY AND TRANSUBSTANTIATION EDWARD STILLINGFLEET,1792

Considerations on the Explications of the Doctrine of the Trinity, by Dr. Wallis, Dr. Sherlock, Dr. S---th, Dr. Cudworth, and Mr. Hooker; Stephen Nye,1693 *The Essential Trinity* Brandon Crowe,Carl Trueman,2016-06-16 The Trinity is foundational to Christian theology with immense relevance for practical living This volume offers trinitarian readings of each New Testament corpus and focuses on the importance of the doctrine for Christian life and ministry
