The Truth About Adhd Genuine Hope And Biblical Answers:

The Truth about ADHD Daniel R. Berger II, 2015-01-07 Controversy and misunderstanding swirl around the topic of ADHD Parents search for answers while doctors teachers and therapists offer constantly changing theories In an effort to be compassionate secular theories propose that some children are not responsible for their actions however such assertions actually undermine hope for permanent change and replace it with faith in medication In his book *The Truth about ADHD Genuine Hope and Biblical Answers* Daniel Berger examines the subjective and therefore unreliable support for ADHD theory and diagnoses using the leading secular theorists to state the facts Furthermore he shows that a biblical approach sees all children except for the mentally handicapped and those with impairment to their sensory organs as not only able but also responsible to pay attention and exhibit wisdom and self control This book will challenge the reader to reconsider common beliefs about child behavior and about what constitutes true parental love and purposeful parenting Though it does offer practical instructions for dealing with bad behavior the book looks beyond correcting behavior and discusses both the necessary philosophical presuppositions about behavior and the necessity of captivating the heart Sometimes the truth is painful yet in the telling of it there is real mercy and the starting point for healing and hope This book unflinchingly lays out the facts to bring a message that is straightforward compassionate and inspiring The wisdom offered in this book has been used for centuries to lovingly address the same mindsets behaviors and emotions that secularists refer to as ADHD

Mental Health and the Church Stephen Grcevich, MD, 2018-02-06 The church across North America has struggled to minister effectively with children teens and adults with common mental health conditions and their families One reason for the lack of ministry is the absence of a widely accepted model for mental health outreach and inclusion In *Mental Health and the Church A Ministry Handbook for Including Children and Adults with ADHD Anxiety Mood Disorders and Other Common Mental Health Conditions* Dr Stephen Grcevich presents a simple and flexible model for mental health inclusion ministry for implementation by churches of all sizes denominations and organizational styles The model is based upon recognition of seven barriers to church attendance and assimilation resulting from mental illness stigma anxiety self control differences in social communication and sensory processing social isolation and past experiences of church Seven broad inclusion strategies are presented for helping persons of all ages with common mental health conditions and their families to fully participate in all of the ministries offered by the local church The book is also designed to be a useful resource for parents grandparents and spouses interested in promoting the spiritual growth of loved ones with mental illness Discover Mike McGarry, 2023-07-10 In *Discover Questioning Your Way to Faith* Mike McGarry explores the twenty most common questions teenagers ask and shows how doubt and questioning can be a pathway to greater faith *Nothing Is Wasted: A True Story of Finding Peace in Chaos* Lore Cottone, 2017-01-15 This true story chronicles a mother s journey of trials and doubts faith and triumph through the rocky terrain of her son s life with Asperger syndrome bipolar disorder depression and addiction

The reader has a mom's eye view of the challenges she and her family face as they navigate through the public school system private rehab programs the Texas justice system and normal life as evangelical Christians with a child who doesn't seem to fit the mold of expectation in any given system let alone in his own mother's idea of what her first son would be like While frightening and painful at times this is one mother's story of faith and surrender in the face of insurmountable obstacles and of God's presence and faithfulness over decades of time This ongoing story is full of victory but more important than any single outcome is the fruit of peace and joy that was discovered along the way as the author chose to offer up all outcomes to the only One who loves better than a mother whose signature moves are redemption healing and rescue

Freedom: The End of the Human Condition Jeremy Griffith, 2016-05-24 FREEDOM has its own very informative website visit www.humancondition.com The fastest growing realization everywhere is that humanity can't go on the way it is going Indeed the great fear is we're entering endgame where we appear to have lost the race between self destruction and self discovery the race to find the psychologically relieving understanding of our good and evil afflicted human condition Well astonishing as it is this book by biologist Jeremy Griffith presents the 11th hour breakthrough biological explanation of the human condition necessary for the psychological rehabilitation and transformation of our species The culmination of 40 years of studying and writing about our species psychosis FREEDOM delivers nothing less than the holy grail of insight we have needed to free ourselves from the human condition It is in short as Professor Harry Prosen a former president of the Canadian Psychiatric Association asserts in his Introduction The book that saves the world Griffith has been able to venture right to the bottom of the dark depths of what it is to be human and return with the fully accountable true explanation of our seemingly imperfect lives At long last we have the redeeming and thus transforming understanding of human behaviour And with that explanation found all the other great outstanding scientific mysteries about our existence are now also able to be truthfully explained of the meaning of our existence of the origin of our unconditionally selfless moral instincts and of why we humans became conscious when other animals haven't Yes the full story of life on Earth can finally be told and all of these incredible breakthroughs and insights are presented here in this greatest of all books
