1 & 2 Timothy, Titus Paul M. Zehr, 2010-12-20 In this twenty second volume of the Believers Church Bible Commentary series author Paul M Zehr explores Paul's instructions

to Timothy and Titus in light of recent scholarship applying Christian theology and ethics to the political philosophical religious and cultural issues that early Christians faced as the church reached out in mission in Ephesus and on the island of Crete. Additionally Zehr also shows how the themes in 1 sets the theological themes in their wider biblical contexts and surveys the history of the interpretation and influence of the letters particularly in the Anabaptist Mennonite tradition. I warmly commend this attractive presentation which should greatly encourage and assist exposition of these fascinating letters. I Howard Marshall University of Aberdeen Scotland. This commentary by Paul Zehr provides helpful guidance to interpret important but difficult passages in a contemporary Anabaptist manner. Zehr is alert to current ecumenical and evangelical scholarship on the pastorals to the historical and cultural contexts reflected in these books to the difficult issues of authorship and to the energy of these letters for the well being of healthy church leadership. John A Esau former Mennonite pastor and denominational administrator. With careful scholarship and a Christ centered hermeneutic Paul Zehr has given to the church an insightful guide in understanding the pastoral epistles. He seeks to work carefully with the cultural background of these scriptures their context in the larger Scripture and in applications to our setting. He does not back away from engaging the difficult issues that have divided groups but calls us to follow Paul's example of contextualizing applications. Myron S Augsburger President Professor Emeritus of Eastern Mennonite University. Dr Zehr's commentary brings the most accessible scholarship knowledge of the first century cultural historical settings and a keen interest in the meaning of the text for today's church into a most engaging combination for pastors and church leaders alike. Their task in making the biblical text relevant in the twenty first century is greatly helped by this volume in the Believers Church Bible Commentary Series. Philip H Towner Dean The Nida Institute for Biblical Scholarship American Bible Society.

Lee Ramsey, 2008-01-01 In this compelling book G Lee Ramsey Jr mines the riches of southern fiction and discovers a colorful assortment of ministers who arise out of the religious South At once mystical and mischievous these ministers haunt the margins of southern life while preaching a gospel that startles and compels But their oddness is also their appeal and part of their gift For through these colorful portraits of Christian ministry today s readers are challenged to think about what matters in ministry and to re imagine ministry in ways that bring new life to the church and community Throughout Ramsey shows how ministers such as Roger Hagan in Will Campbell s *The Convention* and Hazel Motes in Flannery O Connor s *Wise Blood* can help show us the stumbling blocks to faithful ministry and steer clergy and congregations forward in today s world

Sacred Rhetoric Michael Pasquarello III, 2012-06-01 Modern approaches to preaching today are largely fixated on how to s how to make preaching more relevant more interesting more entertaining Michael Pasquarello suggests that this fixation may stem from a preaching imagination more beholden to technical scientific reason than theological wisdom Rather than devising new techniques or strategies for effective speaking Pasquarello offers something more salutary portraits of ten exemplary preachers from the Christian tradition Included in Pasquarello s gallery are Augustine of Hippo Gregory the Great Benedict Bernard of Clairvaux Bonaventure Thomas Aquinas Erasmus Hugh Latimer Martin Luther and John Calvin These excellent preachers conceived of Christian speech as a unique theological practice learned through prayerful attention to the Bible and aimed at communion with God *Sacred Rhetoric* invites readers to join an extended conversation with the past in order to become faithful preachers of the gospel in a post Christian society Preachers seminarians and students of Christian history will find much to learn from Pasquarello s fresh perspective and passion for the past *When Narcissism Comes to Church* Chuck DeGroat, 2020-03-17 Chuck DeGroat has been counseling pastors with narcissistic personality disorder and those wounded by narcissistic leaders for over twenty years Offering compassion and hope for both narcissists themselves and those affected by its destructive power DeGroat imparts wise counsel for churches looking to heal from its systemic effects **Being Salt** George R. Sumner, 2007-05-01 *Being Salt* addresses both ordination and leadership by taking as its point of departure the most distinctive yet often overlooked feature of ordination indelibility being ordained for life Sumner wholeheartedly agrees with the Reformation emphasis on the ministry of the whole people of God Still he argues that we can only understand priesthood if we understand what one is ordained for Indelibility lifetime ordination provides an entree to

the question of what sets the ordained apart In sum Being Salt offers an evangelical argument for a catholic practice and so goes to the heart of what Anglicanism understands itself to be
