younger man even before her divorce has come through The gipsy represents male sexuality as well as individual freedom The theme of virginity and its almost unconscious aspiration for experience is synonymous with the collective desires for the entire society before it has been perverted by an education made of prejudice and inhibitions The virgin is inexperienced and is therefore purely free to see the world as it is before others have had time to cause damage Lawrence portrays Yvette as unrestrained in a positive sense She visits the gipsies and the unmarried couple without thinking about any social consequences She has an innate curiosity for an interesting and genuine life The themes of her purity and innocence equate closely with a being absolutely untainted by prejudices or judgment At home the stifling environment created by her Aunt Cissie and the indolent annoying Mater drive Yvette to search for uncharted social waters She is not ashamed of her response to nature when she confesses her strong attraction to the gipsy during conversations with her sister Lucille as well as Mrs Fawcett and Mr Eastwood
