Three Paragraph Essay Structure

Read the following essay. Highlight and label the following parts of the essay: title, topic sentence, background information, thesis, transitions, main reasons, supporting details, summary of argument, summary of reasons, and final statement.

Title	School Uniforms are a Necessary Idea
Topic sentence	Students care too much about how they look and not enough about their studies. This is why many schools have uniforms for their students. While some schools allow students to wear whatever they wish, other schools have strict rules for clothing. Even though students complain, uniforms are an excellent idea for any school that wants students to forget about popularity and just focus on learning.
Background information and argument prelude	
Thesis	
Reason 1	Uniforms help prevent distractions in students' lives. When students wear uniforms, it is difficult to judge how rich they are because they do not compete by wearing brand names. Uniforms also prevent students from dressing provocatively.
Supporting details	Uniforms make it easier for students to prepare for school every morning. Instead of choosing what to wear or remembering the last time they wore something, students simply grab a uniform and put it on. This saves precious minutes for teenagers who always rush in the morning.
Reason 2	Uniforms help with security and safety. When students wear uniforms, they are like a team. They can be identified as a member of a group and take pride in their school. It is also easier for the school to identify any person that should not be in the building.
Supporting details	
Reason 3	Despite many objections to uniforms, they are actually a pretty great idea for both schools and students. The schools benefit from better security and focus, and the students can just relax and be students. The only problem is who gets to choose them.
Summary of argument	
Recap of three main reasons	
Final statement
